One-Year Renewal of the Term Contract for Automatic Vehicle Locating System Devices and Service for the Facilities Maintenance, Development and Sustainability, Solid Waste, Engineering, Transportation and Water Resources Departments **(Citywide)**

This contract provides equipment and service for a GPS-based Automatic Vehicle Locating System for multiple departments, providing information including vehicle location, speed and stop/idle time. The information can be used for process improvements, operational and cost efficiencies, vehicle inspections for CDL operators and in the event of an emergency, locating a vehicle or dispatching a nearby vehicle for assistance.

Facilities Maintenance, Development and Sustainability, Solid Waste, Engineering, Transportation, Water Resources and Purchasing recommend authorizing a one-year renewal with Zonar Systems, Inc., at \$104,500.00 annually, based on estimated requirements.
