File #: 16-0124, **Version:** 1

Purchase of IT Security Infrastructure for the Utilities Supervisory Control and Data Acquisition (SCADA) Network for the Water Resources and Energy Resources Departments (Sole Source) **(Citywide)**

This purchase will provide new security monitoring software to improve performance and provide increased security monitoring and alerting for the SCADA system.

The Information Technology, Water Resources, and Energy Resources Departments, and Purchasing recommend authorizing the purchase from the sole source vendor, GE Intelligent Platforms, at $32,667.30.
