Rio Salado Pathway - SR101L to Dobson Road (**District 1**)

The City received a federal Congestion Mitigation and Air Quality (CMAQ) grant and a Transportation Alternative (TA) grant to construct a shared-use pathway along the Salt River Bank southern levee that will provide a regional connection to networks in the City of Mesa, City of Tempe and City of Phoenix.

Staff recommends awarding the project contract to the lowest, responsible bidder, J. Banicki Construction, Inc., in the amount of \$3,116,308.50, and authorize a change order allowance in the amount of \$311,630 (10%). The project funding is comprised of a \$1,599,999 grant from Federal Highway Administration CMAQ, a \$1,585,674 grant from Federal Highway Administration TA, and \$242,265.50 from the 2012 authorized Parks and Recreation Bond and City of Mesa Transportation Local Street Sales Tax, for a total amount of \$3,427,938.50
