File #: 16-1076, **Version:** 1

Three-Year Term Contract for Electric Switchgear Testing, Maintenance and Repairs for the Water Resources Department (**Citywide**)

This contract will provide services including inspection, testing, preventative maintenance, evaluation and repair or replacement of electrical distribution system components located at the City's potable water and waste water facilities.

Water Resources and Purchasing recommend awarding the contract to the highest scored proposals from Cannon & Wendt Electric Company, Inc., and Hampton Tedder Technical Services, Inc., at \$125,000 annually, based on estimated requirements.
