Two-Year Renewal of the Term Contract for Procurement Card Program Services for Citywide Departments as requested by the Business Services Department **(Citywide)**

This program provides procurement cards and related services that provide efficient and cost effective tools for purchases and payments. The program provides spend controls, reporting tools, online review and approval of transactions, and rebate opportunities.

The City of Mesa has had a Procurement Card Program since 1998. The City has been using this Chandler cooperative contract for our procurement card program since January 2010. In FY 15/16, Mesa's program rebates were \$82,015 on \$6,130,934 in purchases.

The Business Services Department and Purchasing recommend authorizing a two-year renewal utilizing the City of Chandler cooperative contract with Bank of America.
