Approving and authorizing the City Manager to enter into a Master Agreement with Cox Communications for Wireless Antenna on Existing Structure in Right-of-Way. **(Citywide)**

Cox Communications will install, operate, and maintain wireless communication facilities on City-owned streetlights in the City's rights-of-way and public utility easements and will install new street light foundations and street lights before placing antennas. Cox Communications will also provide landscaping, various painting options and/or metal screening to blend with or enhance the aesthetics of each cabinet as directed by the City. This Agreement has an initial ten-year term with two optional five-year renewal terms. The City anticipates receiving \$20,814 annual revenue.
