One-Year Renewal of the Term Contract for Radio-Based Endpoint Encoders for the Water Resources Department (Single Bid) **(Citywide)**

This contract provides Itron radio-based endpoint encoders and accessories compatible with the City's Itron automated reading system. The endpoint encoders store 40 days of hourly reads to ensure data integrity and offers advanced customer side leak detection and reverse flow and tamper alarms.

The Water Resources Department and Purchasing recommend authorizing the renewal with Itron, Inc., at \$55,000, based on estimated requirements.
