Dollar-Limit Adjustments for Solid Waste Disposal, Recyclable Material Processing, and Vegetative Waste Processing Services as requested by the Environmental Management and Sustainability Department **(Citywide)**

An increase is needed for the 2016 term (1/1/2016 to 12/31/2016) to pay the December 2016 invoices for tipping fees for solid waste and green waste, and recycling fees. Environmental Management and Sustainability completed a tonnage analysis for the 2017 term (1/1/2017 through 12/31/2017), and is requesting a contract limit of \$7,325,000, which includes the vendors' rate increases, ranging from 1.64% to 2.3%, for refuse and green waste disposal, tonnage volume increases of 3%, as well as a contingency of 3%.

The Environmental Management and Sustainability Department and Purchasing recommend authorizing a dollar-limit increase of \$155,000 for 2016, increasing the annual contract amount from \$6,800,000 to \$6,955,000; and authorizing a dollar-limit for the 2017 term contract in the amount of \$7,325,000; with Salt River Commercial Landfill Company, dba Salt River Landfill; Republic Services, dba Allied Waste Transportation, Inc., Allied Transfer Services of Arizona, LLC, Allied Waste Transfer Services of Arizona, LLC; Waste Management of Arizona, Inc.; ReCommunity; United Fibers, LLC; and Waste Technologies, LLC, dba Right Away Disposal; based on estimated requirements.
