Dollar-Limit Increase to the Term Contract for Anodeless Service Risers for the Materials and Supply Warehouse (for the Energy Resources Department) **(Citywide)**

This contract provides 1" and 2" anodeless service risers and pre-assembled ¾" anodeless service riser kits for new service installations and repair work. Gas Utility's usage of these stock items has been more than originally estimated due to continued increases of gas utility customers.

The Business Services Department and Purchasing recommend authorizing a dollar-limit increase of \$50,000 with R.W. Lyall & Company, Inc., increasing the contract amount from \$115,000 to \$165,000 annually, based on estimated requirements.
