Dollar-Limit Increase to the Term Contract for Emergency Vehicle Equipment and Installation Services for Police Patrol Vehicles as requested by the Fleet Services Department **(Citywide)**

This contract provides specialized turnkey emergency vehicle equipment (lights, sirens, push-bars, prisoner cages, consoles, wiring, etc.) and installation services for Police patrol vehicles on an as-needed and/or as-requested basis. The dollar-limit increase is requested due to 2016 and 2017 vehicle orders being merged into the current year, which requires additional funding to up-fit these vehicles. This contract is in its final year and the City intends to rebid the contract.

The Fleet Services and Police Departments, and Purchasing recommend increasing the dollar-limit with Kenco OR LLC, dba LSH Lights and Arizona Emergency Products (AEP) (the conditional Secondary) by \$325,000, increasing the contract amount from \$1,000,000 to \$1,325,000 annually, based on estimated usage.
