Purchase of Eight Additional Mobile Two-Way Radios, Accessories and Related Equipment for the Fire and Medical Department **(Citywide)**

This purchase will provide eight additional mobile radios, along with accessories and other related equipment required for mounting mobile radios in emergency response apparatus. The Fire and Medical Department currently uses the Motorola APX series of portable and mobile two-way digital radios as the standard for firefighters, paramedics and apparatus.

The Fire and Medical Department and Purchasing recommend authorizing the purchase using the State of Arizona cooperative contract with Motorola Solutions, Inc., at \$39,778.01. This purchase is funded by the Capital - General Fund.
