Five-Year Term Contract for Electrical, Lighting, Data Communications, and Security Products and Related Products, Services and Solutions for Citywide Departments **(Citywide)**

This Citywide contract is a key source for tools, test equipment, safety, maintenance, repair and operations products in support of electrical, lighting, data/communications, networking and security. Primary users include Parks, Recreation and Community Facilities, the Materials and Supply Warehouse, Transportation, Communications, Information Technology, and Fire and Medical.

Purchasing recommends authorizing the purchase using the U.S. Communities, City of Kansas City cooperative contract with Graybar, at \$400,000 annually, based on estimated usage.
