File #: 18-0481, **Version:** 1

Approving and authorizing the City Manager to enter a new five-year Intergovernmental Agreement with Maricopa County Department of Emergency Management, effective July 1, 2018, to continue regional emergency operations management and disaster services, as required by Arizona state statute. The City's FY 2018/19 cost for the services is \$24,461.28, which is calculated by a population-based formula. **(Citywide)**
