### Dollar-Limit Increase to the Term Contract for Supplemental Computers, Ruggedized Laptops and Tablets for Various City Departments as requested by the Information Technology Department **(Citywide)**

In September 2017, Council approved the annual contract amount of \$275,000 for supplemental purchases of computer hardware and services. The initial amount for the supplemental purchases was based off of spending from the previous 2 years. Due to a higher than anticipated number of IT purchase requests from City departments, the Information Technology Department is requesting an increase of \$125,000 annually, for the supplemental purchases to meet the ongoing technology needs of the departments.

The Information Technology Department and Purchasing recommend increasing the dollar-limit using the State of Arizona, National IPA and US Communities cooperative contracts with Dell Marketing LP; Apple Computer, Inc.; Panasonic Solutions; and Insight Public Sector; by \$125,000, from \$275,000 to \$400,000 annually, based on estimated usage.
