### One-Year Renewal to the Term Contract for Emergency Pump Rental Services for the Transportation Department **(Citywide)**

Transportation maintains 39 storm water pump stations that convey storm water during storm events. To back-up and supplement this capacity, this contract provides for emergency trailer mounted pump rental along with associated equipment and hardware on an as-needed basis, 24 hours a day, 7 days a week.

The Transportation Department and Purchasing recommend authorizing the renewal with Water Movers, Inc. (Primary); and Western Oilfields Supply Company, dba Rain for Rent (Secondary); for \$100,000, based on estimated usage.
