One-Year Renewal to the Term Contract for Heavy-Duty Automotive Body Repair Services for the Fleet Services Department **(Citywide)**

This contract provides a qualified vendor list of pre-qualified automotive body repair vendors for non-exclusive repair services for the City's fleet of approximately 300 heavy-duty trucks on an as-needed basis. The City requests repair estimates from the qualified vendor list and the repair work is awarded to the lowest priced, responsive, responsible repair estimate submitted.

The Fleet Services Department and Purchasing recommend authorizing the renewal with Rush Truck Center - Phoenix; Vanguard Truck Center; Freightliner of Arizona; and MAACO Collision Repair (a Mesa business); at \$75,000, based on estimated usage.
