One-Year Renewal to the Term Contract for Fire Structure Boots for the Fire and Medical Department (Citywide)

This contract provides an approved list of qualified vendors for fire structure boots for approximately 400 Fire suppression personnel. Fire and Medical provides an allowance of \$300 toward the cost of these boots and purchases an average of 100 to 125 pairs annually.

The Fire and Medical Department and Purchasing recommend authorizing the renewal with Freightliner of Arizona, dba Western States Fire Equipment; Matlick Enterprises, dba United Fire Equipment Company; and Municipal Emergency Services, Inc.; at \$30,000, based on estimated usage.
