Three-Year Term Contract with Two Years of Renewal Options for Video Security Surveillance, Installation and Maintenance for the Water Resources Department **(Citywide)**

This contract will provide a qualified vendor to furnish and install Mobotix video security surveillance equipment at sites such as, water treatment plants, wastewater reclamation plants, electric substations, well sites, reservoirs, and other remote sites. This contract will also provide a full maintenance contract on existing Mobotix cameras throughout the City.

An evaluation committee recommends awarding the contract to the highest-scored proposal from Gosserco, Inc. (a Mesa business), at \$375,000 annually, with an annual increase allowance of up to 5%, or the adjusted Consumer Price Index.
