File #: 18-1302, **Version:** 1

One-Year Renewal with Two Years of Renewal Options to the Term Contract for Medical Transportation Billing Services for the Mesa Fire and Medical Department **(Citywide)**

MFMD originally partnered with Daisy Mountain Fire District in fall of 2017 after performance shortfalls with the previous billing contractor. The Department is requesting to continue partnering with Daisy Mountain for full-service medical transportation billing services for the Medic Unit pilot program.

Mesa Fire and Medical Department and Purchasing recommend authorizing the renewal with Daisy Mountain Fire District, at \$70,000 annually, with an annual increase allowance of up to 5%, or the adjusted Consumer Price Index.
