Purchase of Five Chevrolet Tahoes (One Replacement and Four Additions) for the Police Department (Citywide)

This purchase will provide five patrol SUVs to support police operations. The replacement vehicle will replace a vehicle that was damaged beyond repair. The four additions will be going to the Police Department's refurbishment pool.

The Fleet Services and Police Departments and Purchasing recommend authorizing the purchase from the existing contract with Midway Chevrolet, at \$205,660.71. This purchase is funded by the Vehicle Replacement Fund.
