One-Year Renewal to the Term Contract for Generator Rental Services for the Water Resources Department (**Citywide**)

This contract provides generator rental services for large, non-portable generators that few vendors keep in stock for emergency use. Water Resources uses rental generators in the summer months to supply emergency back-up power to the pump stations that do not have a redundant power system.

The Water Resources Department and Purchasing recommend authorizing the renewal with Empire Southwest LLC, dba Empire Power System (Primary); and Valleywide Generator Service LLC (Secondary) (a Mesa business); at \$45,000, based on estimated usage.
