Three-Year Term Contract with Two Years of Renewal Options for Dust Palliative/Stabilizer Product and Installation for the Transportation Department (Single Response) **(Citywide)**

The Transportation Department has a need to apply dust palliative/soil stabilizer to storm channels, shoulders, and other City rights-of-way assets to aid in dust and erosion control.

The Transportation Department and Purchasing recommend awarding the contract to the single, responsive, and responsible bidder, EarthCare Consultants, LLC, at \$425,000 annually with an annual increase allowance of up to 5%, or the adjusted Consumer Price Index.
