Three-Month Extension with a Three-Month Extension Option and Dollar-Limit Increase to the Term Contract for Bridgestone Tires for the Materials and Supply Warehouse (for the Fleet Services and Mesa Fire and Medical Departments) **(Citywide)**

The contract provides Bridgestone tires, primarily the large tires for heavy-duty vehicles, such as solid waste trucks and fire apparatus.

The Business Services Department and Purchasing recommend extending the contract using the Maricopa County cooperative contract through June 30, 2019; and increasing the dollar-limit with Redburn Tire Company (Mesa location); by \$75,000, from \$300,000 to \$375,000 annually, with an increase allowance of up to \$75,000 should the County opt to extend for a second additional three-month term.
