Refurbish Two Steinway Grand Pianos for the Mesa Arts Center as requested by the Arts and Culture Department (Single Response) **(Citywide)**

Steinway pianos are a special and highly requested piano, and servicing these pianos requires special training and skills. This purchase will refurbish the Mesa Arts Center's two, Steinway grand pianos.

An evaluation committee recommends awarding the contract to the single and qualified respondent, Klavierhaus, Inc., at \$75,000. This purchase is funded by the Mesa Arts Center Restoration Fee.
