Purchase of 50 Twelve-Lead Heart Monitors/Defibrillators (Replacements) for the Mesa Fire and Medical Department **(Citywide)**

The Zoll cardiac monitors that are currently on the Fire and Medical Department's trucks have reached the scheduled life cycle replacement and will be traded-in for new monitors.

The Mesa Fire and Medical Department and Purchasing recommend authorizing the purchase using the City of Tucson cooperative contract with Zoll Medical Corporation, at \$2,000,000. This purchase is funded by the Capital General Fund.
