Three-Year Term Contract with Two Years of Renewal Options for Traffic Signal Controller Cabinets for the Transportation Department **(Citywide)**

This contract will supply traffic signal cabinets for operation of signalized intersections. A traffic signal controller cabinet is an outdoor enclosure that contains the equipment necessary to provide safe and efficient traffic signal operation.

The Transportation Department and Purchasing recommend awarding the contract to the lowest, responsive, and responsible bidders: Sierra Transportation & Technologies, LLC; and Econolite (a Mesa business); at \$225,000 annually, with an annual increase allowance of up to 5%, or the adjusted Producer Price Index. This purchase is funded by the Local Streets Fund.
