

Citizen Participation Plan for Edged Data Center

July 10, 2023

Purpose:

The purpose of this Citizen Participation Plan is to inform citizens, property owners, neighborhood associations, agencies, schools, and businesses in the vicinity of the site of an application for the Edged Data Center. This site is located at the 8700 and 8800 blocks of E. Warner Road and is an application for proposing a new data center. This plan will ensure that those affected by this application will have an adequate opportunity to learn about and comment on the proposal.

Pre-Submittal Conference:

The Pre-submittal Conference with City of Mesa Development Services staff was held on March 28, 2023. Staff reviewed the application and recommended that adjacent residents nearby registered neighborhoods be contacted.

Action Plan:

In order to provide effective citizen participation in conjunction with this application, the following actions will be taken to provide opportunities to understand and address any real or perceived impacts that members of the community may have.

1. A contact list will be developed for citizens and agencies in this area including:
 - a. All registered neighborhood associations within one mile of the project.
 - b. Homeowners Associations within one half mile of the project.
 - c. Interested neighbors - focused on 1,000 feet from site but may include more.
 - d. Eastmark Community Alliance, Inc., who may be affected by this application.
2. Presentations will be made to groups of citizens or neighborhood associations upon request.
