Dorothy,

I am a neighbor just to the south of your project. I received your packet in the mail. I would like to ask if you could send me some bigger images of the site plan and landscape plan. Even with a magnifying glass I am unable to read some of the details. I do like the retention ponds and the setback from the road and on the south side of the property. I'm hoping the landscape will consist of drought tolerant plants and will be a reflection of our rapidly disappearing desert.

Thank-you,

Scott Leon
