

Mesa Police Department Mobile Command Trailer

Existing Command Van

Purchased in 2008

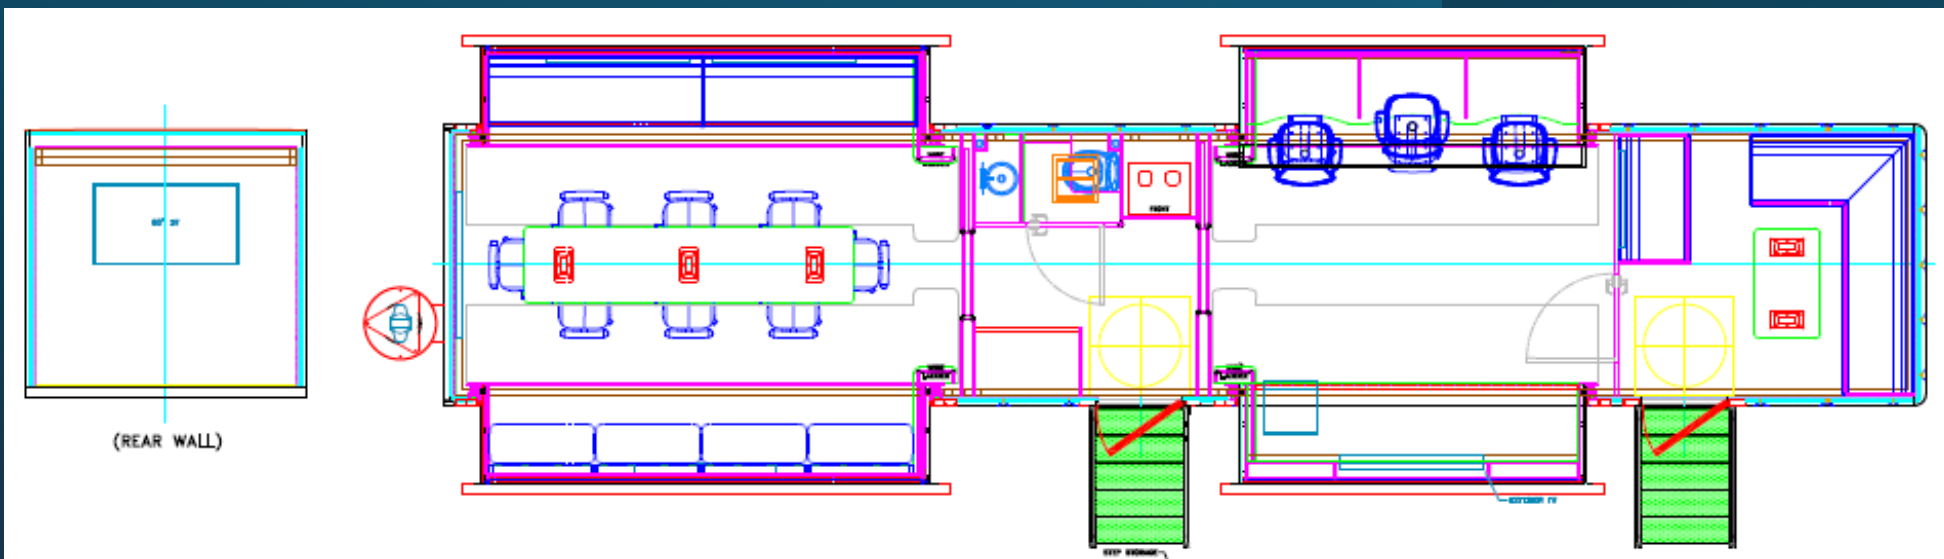

Outdated technology/not compatible with RTCC

Functionality does not fit current needs

Need additional tow-behind generator to power existing equipment

Proposed New Command Trailer

Proposed New Command Trailer

New Command Trailer

45' TRAILER WITH SLIDE OUTS/SEMI-TRACTOR TRUCK

```
graph TD; A[45' TRAILER WITH SLIDE OUTS/SEMI-TRACTOR TRUCK] --> B[UPDATED TECHNOLOGY COMPATIBLE WITH RTCC/UAS]; B --> C[CONDUIT FOR EASIER FUTURE TECHNOLOGY UPDATES]; C --> D[ONBOARD GENERATOR DESIGNED TO POWER ALL TECHNOLOGY]; D --> E[INCLUDES A DEDICATED INTERVIEW ROOM];
```

UPDATED TECHNOLOGY COMPATIBLE WITH RTCC/UAS

CONDUIT FOR EASIER FUTURE TECHNOLOGY UPDATES

ONBOARD GENERATOR DESIGNED TO POWER ALL TECHNOLOGY

INCLUDES A DEDICATED INTERVIEW ROOM

Benefits of Tractor/Trailer

All space dedicated to command capabilities

Easier maneuverability in smaller spaces vs. motorhome platform

Truck will serve as a back-up for the Communications Trailer providing appropriate spare ratio

When truck needs service, the trailer is still available with utilizing a truck from another city department
