**Date:** February 24, 2025  
**To:** City Council  
**Through:** Michael Kennington, Deputy City Manager/Chief Financial Officer  
**From:** Edward Quedens, Business Services Director  
Kristy Garcia, Procurement Administrator  
**Subject:** 10-Month Use of a Cooperative Contract for Water and Wastewater Industrial Plumbing Supplies for the Water Resources Department **(Citywide)**

## Recommendation

Council is requested to approve the award as recommended.

The Water Resources Department and Procurement Services recommend authorizing the purchase using the State of Arizona cooperative contract with Copperstate Bolt & Nut Company; Ferguson Enterprises, Inc.; and Best Plumbing Specialties, Inc. at \$150,000 based on estimated requirements.

## Background / Discussion

This contract will provide pipe, fittings, valves, backflow devices, and other related products and equipment for the City's Water and Wastewater treatment facilities.

The State of Arizona cooperative contract has been competitively bid and meets the City's procurement requirements. Utilizing the State contract allows the City to receive competitive rates based on a formally solicited agreement. The City believes the pricing is fair and reasonable and soliciting for these products would not result in the City receiving more favorable pricing or terms.
