Through: Natalie Lewis, Deputy City Manager
Nana Appiah, PhD, AICP, Planning Director
From: Cassidy Welch, Planner II
Date: May 3, 2021
Subject: “Tapestry at Destination” Final Plat

Attached for your review is the final plat of “Tapestry at Destination”. The preliminary plat was approved by the Planning and Zoning Board on August 26, 2020. This plat will establish a one-hundred and forty-five (145) lot single residence subdivision. Following the preliminary plat approval, the applicant made slight modification to the arrangement of open space tracts and relocated an access drive from 110th Street to Williams Field Road. The number of lots proposed is consistent with the approved preliminary plat.
