Fleet Services has requested an increase for Years 4 and 5 to help offset an increase in parts pricing due to inflation. The contract is a percentage discount off the manufacturer's list price and as the list prices increase so does the total contract spend.

The Fleet Services Department and Purchasing recommend authorizing the renewal with Courtesy Chevrolet, Year 4 at \$700,000 annually and Year 5 at \$750,000 annually, based on estimated requirements.

***4-b** **23-1034** Dollar Limit Increase and One-Year Renewal to the Term Contract for Heavy-Duty Original Equipment Manufacturer (OEM) Cab/Chassis Parts for the Fleet Services Department **(Citywide)**

Fleet Services has requested an increase for Year 4 and an increase and renewal for Year 5 to help offset an increase in parts pricing due to inflation and increased use due to longer vehicle retention. This contract is set up with a percentage discount off manufacturer pricing; as manufacturer pricing continues to increase, so does the annual spend.

The Fleet Services Department and Purchasing recommend authorizing the renewal with Rush Truck Centers of Arizona dba Rush Truck Center Phoenix; Freightliner of Arizona, LLC dba Velocity Truck Centers; Inland Kenworth Inc.; RWC International dba RWC Group; and Cummins Inc. dba Cummins Sales and Service (a Mesa business); and increasing Year 4 by \$225,000 from \$825,000 to \$1,050,000 and renewing Year 5 at \$1,050,000, based on estimated requirements.

***4-c** **23-1025** Five-Year Term Contract with Two Years of Renewal Options for Grounds Maintenance Equipment, Parts, Accessories, Supplies, and Related Services and Equipment for the Parks, Recreation and Community Facilities Department (PRCF) **(Citywide)**

Mesa, as the lead agency, solicited Request for Proposals in conjunction with Omnia Partners cooperative purchasing program. This contract will enable the City to maintain the current fleet of grounds maintenance equipment, purchase new equipment, and help keep the proper equipment inventory as more parks and sports fields come online. The resultant contract will benefit 40,000 plus member public agencies nationally, including state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit. The cooperative contract is a revenue source for the City as other agencies utilize this contract for their equipment purchases.

A committee representing PRCF and Purchasing evaluated responses and recommend awarding the contract to the highest scored proposal from The Toro Company, dba Toro, at \$352,000 annually, with an annual increase allowance of up to 5%, or the adjusted Consumer Price Index.
