Subject: Introduction of an Ordinance for annexation case ANX23-00800, located on the north side of East Pecos Road and on the west side of the proposed South Crismon Road Alignment. (43± acres). *Council District 6.*

Purpose and Recommendation

The purpose of this agenda item is for the City Council to conduct a public hearing on the proposed annexation of 43± acres of property depicted on Exhibit “A” (See Exhibit “A”).

The subject annexation request was initiated by the applicant, Gammage and Burnham, for the owners, Pacific Proving LLC. The annexation petition has been returned with the property owner’s signature.

Staff recommends approval of the annexation.

Background

The annexation area consists of one undeveloped parcel located on the north side of East Pecos Road on the west side of the South Crismon Road Alignment (see Exhibit “A”). The applicant is requesting annexation to develop the Property within the corporate limits of the City of Mesa.

Currently, the Property is zoned Single Residence 43 (RU-43) in Maricopa County. The annexation ordinance will establish City of Mesa zoning designation of Agricultural (AG) on the Property.

Discussion

The Property is completely surrounded by the existing City of Mesa corporate boundaries and is within the City of Mesa Planning Area. The Property has a General Plan character area designation of “Mixed Use Community”.

If annexed, any development of the Property will be required to comply with City of Mesa development standards, including storm water retention, street improvements, landscaping, screening, and signage. The City will also collect the development fees as well as supply water and gas utilities.

Utilities and City services are already provided in the area and extension of these services will have minimal impact on the City.

The City of Mesa Departments/Divisions of Transportation, Fire, Solid Waste, and Water Resources have provided comments related to the future development of the Property; however, none of the comments pertain to the annexation of the Property, which is currently vacant land.

Planning

State Statute requires the City to adopt a zoning classification that permits densities and uses no greater than those permitted by the County on newly annexed land (A.R.S. §9-471-M). The Property is currently zoned RU-43 in Maricopa County. City of Mesa zoning designation of AG will be established through the annexation ordinance.

Fiscal Impact

Annexation of the Property will result in the collection of any future secondary property tax, construction tax, and development fees generated from this site.
