

# City Council Report

**Date:** September 10, 2018  
**To:** City Council  
**Through:** Michael Kennington, Chief Financial Officer  
**From:** Edward Quedens, Business Services Director  
Matt Bauer, Procurement Administrator  
**Subject:** Four-Year Term Contract with Renewal Options for Childhood and Adult Vaccines for the Fire & Medical Department (**\$10,200 funded by the Salt River Pima - Maricopa Indian Community Grant and \$74,800 funded by Fire & Medical Department operating budget**) (Citywide)

## Recommendation

Council is requested to approve the award as recommended.

The Fire & Medical Department and Purchasing recommend authorizing the purchase using the Minnesota Multistate Contracting Alliance for Pharmacy (MMCAP) cooperative contract with multiple vendors: Sanofi Pasteur, Merck Sharp & Dohme Corp., McKesson Packaging Services, a division of McKesson, McKesson Medical-Surgical Minnesota Supply, and GlaxoSmithKline, at \$85,000 annually, based on estimated usage.

## Background / Discussion

Fire & Medical purchases vaccines from multiple vendors for their Immunization Program. The MMCAP cooperative agreement provides vaccines and other pharmaceuticals including, Influenza, Tuberculin skin tests, Pertussis (Tdap), Measles, Mumps, Rubella (MMR), Varicella, and Hepatitis B and Hepatitis A for their Childhood Immunization Program. Using the MMCAP cooperative contract will provide special pricing not otherwise available to the City based on the City's volume.

Fire & Medical and Purchasing are requesting approval for a four-year term coinciding with the term of the longest agency contract (MMS17016) that expires on 12/31/2022. Approval of the initial four-year term will provide efficiencies in renewing the City's contract concurrent with MMCAP's annual renewal.
