

City Council Report

Date: December 8, 2025
To: City Council
Through: Michael Kennington, Deputy City Manager/Chief Financial Officer
From: Edward Quedens, Business Services Director
Kristy Garcia, Procurement Administrator
Subject: Dollar Limit Increase to the Term Contract for Bronze Water Service Valves, Fittings, and Hydrants for the Materials and Supply Warehouse (for the Water Resources Department) **(Citywide)**

Recommendation

The Business Services and Water Resources Department and Procurement Services recommend increasing the dollar limit with Arizona Water Works Supply; Core and Main LP; Ferguson Enterprises LLC dba Ferguson Waterworks; and Fortiline Waterworks Inc. (a Mesa business), by \$350,000, from \$1,706,000 to \$2,056,000, through 1/25/2026.

Background / Discussion

This contract provides a variety of water service valves, fittings, hydrants, and repair parts that are stocked in the Materials and Supply Warehouse for use by Water Resources for the maintenance of the City's water distribution system and City-owned fire hydrants. These purchases are necessary to ensure reliable water service to residents and businesses, as well as to maintain fire protection capabilities. Having these parts readily available under contract allows the City to respond quickly to system needs, control costs through standardized pricing, and avoid delays that could impact public health and safety.

This is a shared contract between the Materials and Supply Warehouse and the Water Resources Department. The dollar limit increase is necessary due to increased operational needs. These components are essential to the City's water distribution system and are required to support both routine maintenance and emergency repairs.

Purchase Information

Action: Amendment
Procurement Type: Request for Bids
Contract Number: 2021071
Initial Contract Term: Three Years
Possible Renewals: None
Funding Source: Materials and Supply operating budget through the Warehouse Internal Services Fund; Water/Wastewater Enterprise Operations & Maintenance Fund; and Greenfield Joint Venture O&M Venture Fund
