**Date:** January 26, 2026

**To:** City Council

**Through:** Michael Kennington, Deputy City Manager/Chief Financial Officer

**From:** Edward Quedens, Business Services Director  
Kristy Garcia, Procurement Administrator

**Subject:** One-Year Term Contract with Four One-Year Renewal Options for Bronze Water Service Valves, Fittings and Hydrants for the Materials and Supply Warehouse (for the Water Resources Department) (**Citywide**)

## Recommendation

Council is requested to approve the award as recommended.

The Business Services Department and Procurement Services recommend awarding the contract to the lowest, responsive, and responsible bidders, Ferguson Enterprises, LLC dba Ferguson Waterworks; Fortiline, Inc. (a Mesa business); and Winwater Works Phoenix AZ Co. dba Winwater Works Phoenix at a combined total amount not to exceed \$2,550,000 annually, based on estimated requirements.

## Background / Discussion

This contract will establish a list of qualified, pre-approved vendors who can respond to requests for quotes on various valves, fittings, hydrants, and repair parts stocked in the Materials and Supply Warehouse. These materials support Water Resources in maintaining the City's water distribution system and City-owned fire hydrants. The vendor that provides the lowest price, can meet the required delivery timeframe, and has product availability will be selected.
