To: City Council
Through: Michael Kennington, Deputy City Manager/Chief Financial Officer
From: Edward Quedens, Business Services Director
Kristy Garcia, Procurement Administrator
Subject: Three-Year Term Contract with Two Years of Renewal Options for 37mm and 40mm Shot Launchers for the Mesa Police Department (Initial Purchase funded by Public Safety Sales Tax and General Fund operating budget) **(Citywide)**

Recommendation

Council is requested to approve the award as recommended.

The Police Department and Purchasing recommend awarding the contract to the lowest, responsive, and responsible bidder, Diamondback Police Supply, at \$55,000 annually, with an annual increase allowance of up to 5% or the adjusted Consumer Price Index.

Background / Discussion

This contract will provide for the purchase of 37mm and 40mm shot launchers. The solicitation specified for brand name, Penn Arms, in order to maintain a consistent inventory of shot launchers in the department. An alternate product would mean two different types of launchers that would require personnel to attend two armorer schools and carry two types of parts.

The most responsive and responsible response was received from Diamondback Police Supply. Range personnel reviewed the response and found the prices to be fair and reasonable.

Range and Special Operations personnel have requested and identified funding for the initial purchase of 25 40mm shot launchers; 7 to be assigned to the Range, 16 for Police Districts, and 2 for Special Operations). Additional purchases may be made as funding is identified.
