Director Appiah and Deputy Director Sheffer:

My apologies for a third email, but I wanted to clarify one point of terminology. In my letter, I discuss on page 4 of 5 how length of stay at the residence is not the same as a 30-day treatment plan that each resident has, and then is reevaluated on 30-day cycles.

In our application to the state, we provided information regarding a 45-day length of service, which is intended to be analogous to the treatment plan cycles I describe in my letter to you. After speaking with my client this evening, they have confirmed that they are using a 30-day treatment plan reevaluation cycle at this location.

Sincerely,

Heather N. Dukes, Esq.

Dear Director Appiah and Deputy Director Sheffer:

Please see the attached 2 remaining exhibits. Please note that Exhibit E is a copy of the Legacy license application materials submitted to ADHS. ADHS has recently transitioned to an online application portal, so we do not have a typical license application form to submit to you. The information was typed into the portal and submitted online.

Sincerely,
