Action Plan:

To provide effective citizen participation in conjunction with this application, the following actions were taken to provide opportunities to understand and address any real or perceived impacts that members of the community may have relating to the proposed development:

1. A contact list was provided by the City of Mesa for citizens and agencies in this area including:
 - a. All property owners within 1000+ feet from parent parcel, but may include more;
 - b. Registered neighborhood associations within 1 mile of the subject property and Homeowners Associations within 1/2 mile of the project (lists provided by the City).
2. A neighborhood meeting was held by the applicant on October 29, 2024 to provide the opportunity for members of the public to discuss the proposed project. No neighbors attended the virtual meeting. However, a copy of the notice letter and the presentation has been included with this Report.

3. The notification list for the neighborhood meeting will include the above-referenced contact list of all property owners within 1000+ ft. of the subject property, HOAs within ½ mile, and neighborhood associations within 1 mile (The HOAs and registered neighborhood contact lists provided by the City of Mesa). A copy of the notification letter for the neighborhood meeting and contact list will be submitted to the City.
4. For public hearing notice, applicant will comply with City requirements, which requires posting a minimum of one (1) 4' x 4' sign(s) on the property. If additional signs are needed, the number of signs will be coordinated with Planning Staff. The sign(s) will be placed on the property on or before the Wednesday two weeks prior to the Planning & Zoning Board meeting in accordance with City requirements. A notarized document with attached photograph of the sign(s) will be submitted to the Planning Staff to be kept in the case file.
