

Project Narrative

2.0 at Eastmark is located off Point 22 on the western border of the masterplanned community of Eastmark in Mesa, AZ. The stunning project consists of 320 luxury Class A apartment homes. The development features cutting edge amenities, unique, modern, timeless design features, with a state-of-the-art clubhouse, conference rooms, coffee and wine bar, gym, and pool, roofdeck lounge area, dog parks, play areas, putting greens, BBQs, and courtyards. Enclosed you'll find a siteplan and renderings of the buildings exactly as they will be constructed. The exterior consists of stucco, metal, glass, large patios. The interior features the latest technology, LED lighting, low-flow plumbing, energy star appliances, solid surface countertops, wifi thermostats and more.

The \$75MM project is being developed and built by PCS Development and Route2 Builders.
