PRELIMINARY OFFICIAL STATEMENT DATED OCTOBER __, 2021

NEW ISSUE - BOOK-ENTRY-ONLY

RATING: See "RATING" herein

INSURANCE: See "BOND INSURANCE" and "RISK FACTORS RELATED TO BOND INSURANCE" herein

In the opinion of Sherman & Howard L.L.C., Phoenix, Arizona, Bond Counsel, assuming continuous compliance by the District (as defined herein) with certain covenants described herein, interest on the Bonds (as defined herein) is excluded from gross income pursuant to Section 103 of the Internal Revenue Code of 1986, as amended to the date of delivery of the Bonds (the "Code"), and interest on the Bonds is excluded from alternative minimum taxable income as defined in Section 55(b)(2) of the Code. In the opinion of Bond Counsel, interest income on the Bonds is exempt from Arizona income taxes. See "TAX MATTERS" herein.

The District has designated the Bonds as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code. See "QUALIFIED TAX-EXEMPT OBLIGATIONS" herein.

CADENCE COMMUNITY FACILITIES DISTRICT
(CITY OF MESA, ARIZONA)
GENERAL OBLIGATION BONDS, SERIES 2021
(BANK QUALIFIED)

DRAFT
09-20-2021

Dated: Date of Initial Delivery

Due: As shown on the inside front cover page

The \$1,580,000* principal amount of Cadence Community Facilities District (City of Mesa, Arizona) General Obligation Bonds, Series 2021 (the "Bonds"), will be issued in the form of fully registered bonds, registered in the name of Cede & Co. as nominee of The Depository Trust Company, New York, New York ("DTC"), and will be available to ultimate purchasers under the book-entry-only system maintained by DTC in minimum denominations of \$5,000 of principal amount due on a specified maturity date and integral multiples in excess thereof. Interest on the Bonds (except defaulted interest, if any) will be paid semiannually on January 15 and July 15 of each year, commencing July 15, 2022*. Payments of principal and interest will be paid by wire transfer to DTC for subsequent disbursements to DTC participants who will remit such payments to the beneficial owners of the Bonds. See APPENDIX C – "Book-Entry-Only System."

See Inside Front Cover Page for Maturity Schedule

The Bonds are authorized pursuant to Title 48, Chapter 4, Article 6, Arizona Revised Statutes, as amended, and an election held on January 4, 2016, in and for Cadence Community Facilities District (City of Mesa, Arizona) (the "District"), a community facilities district formed within the boundaries of the City of Mesa, Arizona, and will be issued pursuant to a resolution of the Board of Directors of the District adopted on September 30, 2021*. The Bonds will be payable as to both principal and interest from *ad valorem* property taxes to be levied on all taxable property within the boundaries of the District, without limitation as to rate or amount. See "SECURITY FOR AND SOURCES OF PAYMENT OF THE BONDS."

The Bonds will be subject to redemption by the District prior to maturity as described herein.*

Proceeds of the sale of the Bonds will be used to finance the acquisition of certain public infrastructure benefiting the District and to pay costs of issuance of the Bonds. See "SOURCES AND APPLICATIONS OF FUNDS."

Investment in the Bonds involves certain risks that each prospective investor should consider prior to investing. See "SECURITY FOR AND SOURCES OF PAYMENT OF THE BONDS" and "RISK FACTORS" herein.

The scheduled payment of principal of and interest on the Bonds when due will be guaranteed under a municipal bond insurance policy to be issued concurrently with the delivery of the Bonds by Build America Mutual Assurance Company.

NEITHER THE FULL FAITH AND CREDIT NOR THE GENERAL TAXING POWER OF THE CITY OF MESA, ARIZONA, THE STATE OF ARIZONA OR ANY POLITICAL SUBDIVISION THEREOF (OTHER THAN THE DISTRICT) IS PLEDGED TO THE PAYMENT OF THE BONDS. THE BONDS WILL BE OBLIGATIONS OF THE DISTRICT ONLY. NONE OF THE CITY OF MESA, ARIZONA, THE STATE OF ARIZONA OR ANY POLITICAL SUBDIVISION THEREOF (OTHER THAN THE DISTRICT) WILL HAVE ANY OBLIGATION WITH RESPECT TO DEBT SERVICE FOR THE BONDS.

The Bonds are offered when, as and if issued by the District and received by the underwriter identified below (the "Underwriter"), subject to the approval of Sherman & Howard L.L.C., Phoenix, Arizona, Bond Counsel. Certain legal matters will be passed upon for the District by its special counsel, Sherman & Howard L.L.C., Phoenix, Arizona, for the Underwriter by its counsel, Greenberg Traurig, LLP, Phoenix, Arizona, and for PPGN Holdings, LLLP by its counsel, Ballard Spahr LLP, Phoenix, Arizona, [and Titus Brueckner & Levine PLC, Scottsdale, Arizona]. It is expected that the Bonds will be available for delivery through the facilities of DTC on or about November __, 2021*.

This cover page contains certain information for general reference only. It is not a summary of the issue of which the Bonds are a part. Investors are advised to read this Official Statement in its entirety to obtain information essential to the making of an informed investment decision with respect to the Bonds.

CADENCE COMMUNITY FACILITIES DISTRICT
(CITY OF MESA, ARIZONA)
GENERAL OBLIGATION BONDS, SERIES 2021
(BANK QUALIFIED)

This Official Statement, which includes the cover page, the inside front cover page and the appendices hereto (this “Official Statement”), provides certain information concerning the issuance of \$1,580,000* principal amount of Cadence Community Facilities District (City of Mesa, Arizona) General Obligation Bonds, Series 2021 (the “Bonds”). Copies of any of the bond documents referenced herein are available upon request to the Underwriter (as defined herein) at: Stifel, Nicolaus & Company, Incorporated, 2801 East Camelback Road, Suite 300, Phoenix, Arizona 85016.

INTRODUCTION

Pursuant to the Community Facilities District Act of 1988, constituting Title 48, Chapter 4, Article 6, Arizona Revised Statutes, as amended (the “Act”), upon the petition of the then owners of all land in the District (as defined herein), the Mayor and Council (the “City Council”) of the City of Mesa, Arizona (the “City”), adopted a resolution on November 12, 2015, which formed Cadence Community Facilities District (City of Mesa, Arizona) (the “District”). See APPENDIX A – “Information Regarding the City of Mesa, Arizona– General Economic and Demographic Information” hereto for certain information about the City.

The real property included in the District consists of approximately 403 acres. The District is part of a master planned community known as “Cadence” which consists of approximately 461 acres (the “Project” or “Cadence”). The Project is being developed by PPGN Holdings, LLLP, a limited liability limited partnership organized and existing pursuant to the laws of the State of Delaware (the “Developer”). Also see “LAND DEVELOPMENT.”

The Project is located east of Arizona State Route 202 and is generally bounded by Ray Road to the north, State Route 24 right-of-way, currently under construction, to the south, Ellsworth Road to the west, and Crismon Road to the east. Construction on the Project commenced in April 2017. Residential units represent approximately 322 acres within the Project. Non-residential development comprises approximately 81 acres within the Project and will include government services such as a school, parks and open space and a variety of commercial development such as office and retail. See maps at pages (ii), (iii) and (iv) for the location of the Project and the District.

The District is a special purpose, tax levying public improvement district for purposes of the Constitution of Arizona and a municipal corporation for certain purposes of the laws of the State of Arizona (the “State” or “Arizona”). Except as otherwise provided in the Act, the District is considered to be a municipal corporation and political subdivision of the State, separate and apart from the City. The City Council serves, ex officio, as the Board of Directors of the District (the “Board”) and the City Manager of the City currently serves as the District Manager.

The District has provided, pursuant to an agreement among the City, the Developer, acting on behalf of and with the consent of the Original Landowners (as defined herein) at the time for formation, and the District, financing for the acquisition from the Developer of certain public infrastructure necessary for development of the land within the boundaries of the District. See “LAND DEVELOPMENT” and “THE PUBLIC INFRASTRUCTURE.” The District has the authority to issue general obligation bonds payable from *ad valorem* property taxes levied on all taxable property within the boundaries of the District, without limitation as to rate or amount, to finance, among other things, the acquisition costs of such public infrastructure, including incidental costs and the costs of issuing bonds. The District also levies a \$0.30 *ad valorem* property tax per \$100 of Net Assessed Limited Property Value (as defined herein), the proceeds of which are used to pay a portion of the operation and maintenance expenses of the District and the public infrastructure financed by the District (the “Operation and Maintenance Tax”).

THE BONDS

Authorization and Purpose

The Bonds are authorized pursuant to the Act and an election held on January 4, 2016 (the “Election”), and will be issued pursuant to a resolution adopted by the Board on September 30, 2021* (the “Bond Resolution”). The Bonds will be the

* Subject to change.

fourth series issued pursuant to the authorization approved by the Election, and, after issuance of the Bonds, \$35,989,000* principal amount of such general obligation bonds will remain authorized but unissued. In addition, certain amounts of net premium on general obligation bonds of the District may reduce the principal amount of authorized but unissued general obligation debt of the District. See “SECURITY FOR AND SOURCES OF PAYMENT OF THE BONDS – Ad Valorem Property Taxation in the District” and “OVERLAPPING, ADDITIONAL OVERLAPPING AND OTHER DEBT AND OTHER TAXES – Additional General Obligation Bonded Indebtedness of the District.” The Bonds are being issued in order to acquire certain public infrastructure benefiting the District and to pay costs of issuance of the Bonds. See “THE PUBLIC INFRASTRUCTURE.”

General Description

The Bonds will be dated the date of their initial delivery, and will mature and bear interest as set forth on the inside front cover page of this Official Statement.

Interest on the Bonds will be paid semiannually on January 15 and July 15 of each year, commencing July 15, 2022* (each such date being referred to herein as an “Interest Payment Date”). The Bonds will bear interest from the most recent Interest Payment Date to which interest has been paid or duly provided for or, if no interest has been paid, from the date of their initial delivery, calculated on the basis of a 360-day year of twelve 30-day months.

The principal of, redemption price for and interest on the Bonds will be payable when due to Cede & Co., as nominee of The Depository Trust Company, New York, New York (“DTC”). The District has chosen the close of business on the last day of the calendar month (other than a Saturday, a Sunday, or a legal holiday or equivalent (other than a moratorium) for banking institutions generally in the place of payment or in the city where the principal corporate trust office of the Bond Registrar and Paying Agent (as defined herein) is located (a “Business Day”)) next preceding the applicable Interest Payment Date, or, if such day is not a Business Day, the previous Business Day (the “Record Date”). DTC will act as the securities depository of the Bonds for a book-entry-only system (the “Book-Entry-Only System”). The Bonds will be available in amounts of \$5,000 of principal and integral multiples in excess thereof due on specified maturity dates. See APPENDIX C – “Book-Entry-Only System.”

Bond Registrar and Paying Agent

UMB Bank, n.a., will serve as the initial bond registrar, transfer agent and paying agent (the “Bond Registrar and Paying Agent”) for the Bonds. The District may change the Bond Registrar and Paying Agent without notice to or consent of the owners of the Bonds.

Redemption Provisions*

Optional Redemption. The Bonds maturing on or after July 15, 20__ will be subject to redemption prior to maturity, at the option of the District, on or after July 15, 20__, in whole or in part on any date, at the redemption price of the principal amount of the Bonds or portion thereof being redeemed plus accrued interest to the redemption date, but without premium.

Mandatory Redemption. The Bonds maturing on July 15 of the following years will be redeemed from funds of the District prior to maturity on the following redemption dates and in the following amounts, upon payment of the redemption price which consists of the principal amount of the Bonds so redeemed plus accrued interest, if any, on the Bonds so redeemed from the most recent Interest Payment Date to the redemption date, but without premium:

Redemption Date (July 15)	Principal Amount
Bonds Maturing 20__	
20__	\$ __,000
20__	__,000
20__	__,000
20__ (maturity)	__,000

* Subject to change.

Redemption Date (July 15)	Principal Amount
Bonds Maturing 20__	
20__	\$ __,000
20__	__,000
20__	__,000
20__ (maturity)	__,000

Whenever Bonds which are subject to mandatory redemption are redeemed (other than pursuant to mandatory redemption) or are delivered to the Bond Registrar and Paying Agent for cancellation, the principal amount of the Bonds so retired shall satisfy and be credited against the mandatory redemption requirements for such Bonds for such years as the District may direct.

Notice of Redemption. So long as the Bonds are held under the Book-Entry-Only System, notices of redemption will be sent to DTC, in the manner required by DTC. If the Book-Entry-Only System is discontinued, notice of redemption of any Bond will be mailed to the registered owner of the Bond or Bonds being redeemed at the address shown on the Bond Register not more than sixty (60) nor less than thirty (30) days prior to the date set for redemption. Failure to properly give notice of redemption shall not affect the redemption of any Bond for which notice was properly given. Notice of redemption may be sent to any securities depository by mail, facsimile transmission, wire transmission or any other means of transmission of the notice generally accepted by the respective securities depository. Notice of any redemption will also be sent to the Municipal Securities Rulemaking Board (the “MSRB”), currently through the MSRB’s Electronic Municipal Market Access system (“EMMA”), in the manner required by the MSRB, but no defect in said further notice or record nor any failure to give all or a portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as prescribed above.

If monies for the payment of the redemption price and accrued interest are not held in separate accounts by the District or by a paying agent prior to sending the notice of redemption, such redemption shall be conditional on such monies being so held on or prior to the date set for redemption and if not so held by such date the redemption shall be cancelled and be of no force and effect. The notice of redemption shall describe the conditional nature of the redemption.

Effect of Redemption. Notice of redemption having been given in the manner described above, the Bonds or portions thereof called for redemption will become due and payable on the redemption date and if an amount of money sufficient to redeem all the Bonds or portions thereof called for redemption is held in separate accounts by the District or by a paying agent, then the Bonds or portions thereof called for redemption will cease to bear interest from and after such redemption date.

Redemption of Less Than All of a Bond. The District may redeem an amount which is included in a Bond in the denomination in excess of, but divisible by, \$5,000. In that event, if the Book-Entry-Only System is discontinued, the registered owner shall submit the Bond for partial redemption and the Bond Registrar and Paying Agent shall make such partial payment and cause a new Bond in a principal amount which reflects the redemption so made to be authenticated, issued and delivered to the registered owner thereof.

SECURITY FOR AND SOURCES OF PAYMENT OF THE BONDS

General

The Board will annually levy and cause an *ad valorem* property tax to be collected, at the same time and in the same manner as other taxes are levied and collected on all taxable property in the District, sufficient, together with any amounts from the sources described in the Act and available pursuant to the Bond Resolution, to pay debt service with respect to the Bonds (whether at maturity or prior redemption) when due. The Bonds will be payable from such taxes on the same basis as issues of general obligation bonds of the District currently outstanding and those which may be issued in the future. The Board also levies the Operation and Maintenance Tax. See “OVERLAPPING, ADDITIONAL OVERLAPPING AND OTHER DEBT AND OTHER TAXES – Additional General Obligation Bonded Indebtedness of the District.”

NEITHER THE FULL FAITH AND CREDIT NOR THE GENERAL TAXING POWER OF THE CITY, THE STATE OR ANY POLITICAL SUBDIVISION THEREOF (OTHER THAN THE DISTRICT) IS PLEDGED TO

THE PAYMENT OF THE BONDS. THE BONDS ARE OBLIGATIONS OF THE DISTRICT ONLY. NONE OF THE CITY, THE STATE, OR ANY POLITICAL SUBDIVISION THEREOF (OTHER THAN THE DISTRICT) WILL HAVE ANY OBLIGATION WITH RESPECT TO THE PAYMENT OF DEBT SERVICE FOR THE BONDS.

Defeasance

Pursuant to the Bond Resolution, payment of all or any part of the Bonds may be provided for by the irrevocable deposit, in trust, of monies or obligations issued or guaranteed by the United States of America (“Defeasance Obligations”) or both, which, with the maturing principal of and interest on such Defeasance Obligations, if any, will be sufficient, as evidenced by a certificate or report of an accountant, to pay when due the principal or redemption price of and interest on such Bonds. Any Bonds so provided for will no longer be outstanding under the Bond Resolution or payable from *ad valorem* property taxes on taxable property in the District, and the owners of such Bonds shall thereafter be entitled to payment only from the monies and Defeasance Obligations deposited in trust.

Ad Valorem Property Taxation in the District

General. Primary *ad valorem* property taxes are levied for the maintenance and operation of counties, cities, towns, school districts, community college districts and certain special taxing districts as described below. Secondary *ad valorem* property taxes are levied for debt retirement (e.g., debt service on the Bonds), voter-approved budget overrides and the maintenance and operation of special service districts as described below (including the District). The District levies only secondary *ad valorem* property taxes.

Both primary *ad valorem* property taxes and secondary *ad valorem* property taxes are levied based upon limited property value (the “Limited Property Value”), which (i) for locally assessed property in existence in the prior year that did not undergo modification through construction, destruction, split or change in use, is equal to the lesser of (a) the full cash value (“Full Cash Value”) of the property or (b) an amount 5% greater than the Limited Property Value of such property determined for the prior year and (ii) for centrally valued property is equal to the Full Cash Value. (Property that is subject to an equalization order that the State Legislature exempts from the above property tax limitation (as described below) is also valued at Full Cash Value.) There is no limit on the growth of Full Cash Value of such exempted or centrally assessed property. The property tax assessment ratios are then applied against the Limited Property Value, and property exempt from taxation is netted out of the Limited Property Value, to arrive at “Net Assessed Limited Property Value.” The tax rates imposed for both primary tax and secondary tax purposes are then applied against the Net Assessed Limited Property Value to determine the respective primary and secondary tax levy amounts.

For tax purposes in Arizona, real property is either valued by the Assessor of the county in which the District is located (Maricopa County, Arizona (the “County”)) or by the Arizona Department of Revenue. Property valued by the Assessor of the County is referred to as “locally assessed” property and generally encompasses residential, agricultural and traditional commercial and industrial property. Property valued by the Arizona Department of Revenue is referred to as “centrally valued” property and includes: (1) property used in the business of patented or unpatented producing mines, mills and smelters; (2) producing oil, gas and geothermal interests; (3) real property and improvements used for operation of telephone, telegraph, gas, water and electric utilities; (4) aircraft regularly scheduled and operated by an aircraft company; (5) standing timber; (6) pipelines; and (7) personal property, except mobile homes.

Primary Taxes. Taxes levied for the maintenance and operation of counties, cities, towns, school districts, community college districts, certain special taxing districts, and the State are primary taxes. These taxes are levied against the Net Assessed Limited Property Value of the taxing jurisdiction. The State does not currently levy *ad valorem* property taxes but the State currently requires a county (including the County) to levy a “State equalization assistance property tax” to provide equalization assistance to school districts in such county which is used to offset the cost of State equalization to those school districts.

The amount of primary taxes levied by a county (including the County), city, town and community college district is constitutionally limited to a maximum increase of 2% over the maximum allowable prior year’s levy limit amount plus any taxes on property not subject to tax in the preceding year (e.g., new construction and property brought into the jurisdiction because of annexation). Each taxing entity’s maximum allowable property tax levy limit amount was rebased to the amount of actual 2005 primary property taxes levied (plus amounts levied against property not subject to taxation in the prior year). The 2% limitation does not apply to primary taxes levied on behalf of school districts. In the case of

the County, a primary tax of \$0.4263 per \$100 of Net Assessed Limited Property Value is levied for this purpose to provide equalization assistance funds to local school districts in the County.

Primary taxes on residential property only are constitutionally limited to 1% of the Limited Property Value of such property. This constitutional limitation on residential primary tax levies is implemented by reducing the school district’s taxes. To offset the effects of reduced school district property taxes, the State compensates the school district by providing additional state aid.

Secondary Taxes. Taxes levied for debt retirement (e.g., debt service on the Bonds), voter-approved budget overrides and the maintenance and operation of special service districts such as the District, sanitary, fire and road improvement districts are secondary taxes. These taxes are levied against the Net Assessed Limited Property Value. There is no limitation on annual levies for voter-approved bond indebtedness and certain special district assessments, including those of the District, are also unlimited. Debt service on the Bonds is payable solely from secondary property taxes.

Determination of Full Cash Value. The first step in the tax process is the determination of the Full Cash Value of each parcel of real property within the State. (The Arizona tax year is defined as the calendar year, although tax procedures begin prior to January 1 of the tax year and continue through May of the succeeding calendar year, when payment of the second installment of property taxes for the prior tax year becomes delinquent.) Full Cash Value is statutorily defined to mean “that value determined as prescribed by statute” or if no statutory method is prescribed it is “synonymous with market value.” “Market value” means that estimate of value that is derived annually by use of standard appraisal methods and techniques, which generally includes the market approach, the cost approach and the income approach. As a general matter, the various county assessors use a cost approach for commercial/industrial property and a sales data approach for residential property. Arizona law allows taxpayers to appeal the county assessor’s valuations by providing evidence of a lower value, which may be based upon another valuation approach.

Following the determination of the Full Cash Value, the Assessor of the County then determines the Limited Property Value by applying any applicable property growth limitations as described under “Ad Valorem Property Taxation in the District – General” above.

Assessment Ratios. All property, both real and personal, is assigned a classification to determine its assessed valuation for tax purposes. Each legal classification is defined by property use and has an assessment ratio (a percentage factor) that is multiplied by the applicable Limited Property Value to obtain the assessed valuation. The appropriate property classification ratio is applied to the applicable Limited Property Value of each property parcel to determine the assessed valuation for such parcel. The current assessment ratios for each class of property are set forth in the following table.

**TABLE 1
PROPERTY TAX ASSESSMENT RATIOS**

Property Classification (a)	2018	2019	2020	2021
Mining, Utility, Commercial and Industrial (b)	18%	18%	18%	18%
Agriculture and Vacant Land	15	15	15	15
Owner Occupied Residential	10	10	10	10
Lease or Rented Residential	10	10	10	10
Railroad, Private Car Company and Airline Flight Property (c)	14	15	15	15

- (a) Additional classes of property exist, but seldom amount to a significant portion of a taxing jurisdiction’s total valuation.
- (b) The assessment ratio for this property classification will decrease to 17.5% for tax year 2022, 17.0% for 2023, 16.5% for 2024 and 16.0% for each year thereafter.
- (c) This percentage is determined annually pursuant to Section 42-15005, Arizona Revised Statutes.

Tax Procedures. On or before the third Monday in August of each year, the Board of Supervisors of the County prepares the tax roll that sets forth the valuation by taxing district of all property in the County subject to taxation. The Assessor of the County is required to complete the assessment roll by December 15 of the year prior to the levy. This tax roll also

shows the valuation and classification of each parcel of land located within the County for the tax year. The tax roll is then forwarded to the Treasurer of the County (the “Treasurer”). With the various budgetary procedures having been completed by the governmental entities, the appropriate primary and secondary tax rate for each jurisdiction is then applied to the Net Assessed Limited Property Value of each parcel of property in order to determine the total tax owed by each property owner. Any subsequent decrease in the value of the tax roll as it existed on the date of the levy due to appeals or other reasons would reduce the amount of taxes received by each jurisdiction.

The property tax lien on real property attaches on January 1 of each fiscal year (the year beginning July 1 and ending June 30 (“Fiscal Year”)), the tax is levied. Such lien is prior and superior to all other liens and encumbrances on the property subject to such tax except liens or encumbrances held by the State or liens for taxes accruing in any other years.

The State Legislature, from time to time, may change the manner in which taxes are levied, including changing the assessment ratios and property classifications. The District cannot determine whether any future legislation will become law or how it might affect property tax collections for the District. However, removing or amending limits on the growth rate of Limited Property Value for locally assessed property would require further amendment to the State Constitution.

Delinquent Tax Procedures. The property taxes due the District are billed, along with State, County, and other taxes, in September of each year and are payable in two installments on the subsequent October 1 and March 1. The delinquent tax dates are November 1 and May 1 and delinquent taxes are subject to a penalty of 16% per annum unless the full year’s taxes are paid by December 31. (Delinquent interest is waived if a taxpayer, delinquent as to the November 1 payment, pays the entire year’s tax bill by December 31.) At the close of the tax collection period, the Treasurer prepares a delinquent property tax list and the property so listed is subject to a tax lien sale in February of the succeeding year. In the event that there is no purchaser for the tax lien at the sale, the tax lien is assigned to the State, and the property is reoffered for sale from time to time until such time as it is sold, subject to redemption, for an amount sufficient to cover all delinquent taxes.

After three years from the sale of the tax lien, the tax lien certificate holder may bring an action in a court of competent jurisdiction to foreclose the right of redemption and, if the delinquent taxes plus accrued interest are not paid by the owner of record or any entity having a right to redeem, a judgment is entered ordering the Treasurer to deliver a treasurer’s deed to the certificate holder as prescribed by law.

It should be noted that in the event of bankruptcy of a taxpayer pursuant to the United States Bankruptcy Code (the “Bankruptcy Code”), the law is currently unsettled as to whether a lien can attach against the taxpayer’s property for property taxes levied during the pendency of bankruptcy. Such taxes might constitute an unsecured and possibly noninterest bearing administrative expense payable only to the extent that the secured creditors of a taxpayer are over secured, and then possibly only on the prorated basis with other allowed administrative claims. It cannot be determined, therefore, what adverse impact bankruptcy might have on the ability to collect *ad valorem* property taxes on a property of a bankrupt taxpayer within the District. Proceeds to pay such taxes come only from the taxpayer or from a sale of the tax lien on the property.

When a debtor files or is forced into bankruptcy, any act to obtain possession of the debtor’s estate, any act to create or perfect any lien against the property of the debtor or any act to collect, assess or recover a claim against the debtor that arose before the commencement of the bankruptcy would be stayed pursuant to the Bankruptcy Code. While the automatic stay of a bankruptcy court may not prevent the sale of tax liens against the real property of a bankrupt taxpayer, the judicial or administrative foreclosure of a tax lien against the real property of a debtor would be subject to the stay of a bankruptcy court. It is reasonable to conclude that “tax sale investors” may be reluctant to purchase tax liens under such circumstances, and, therefore, the timeliness of post-bankruptcy petition tax collections becomes uncertain.

It cannot be determined what impact any deterioration of the financial conditions of any taxpayer, whether or not protection under the Bankruptcy Code is sought, may have on payment of or the secondary market for the Bonds. None of the District, the Financial Advisor (as defined herein), the Underwriter, nor their respective attorneys, agents or consultants have undertaken any independent investigation of the operations and financial condition of any taxpayer, nor have they assumed responsibility for the same.

In the event the Treasurer is expressly enjoined or prohibited by law from collecting taxes due from any taxpayer, such as may result from the bankruptcy of a taxpayer, any resulting deficiency could be collected in subsequent tax years by adjusting the District’s tax rate charged to non-bankrupt taxpayers during such subsequent tax years.

See “RISK FACTORS – Bankruptcy and Foreclosure Delays” herein.

Record of Taxes Levied and Collected in the District

Under Arizona law, the Board of Supervisors of the County is required to levy a tax in an amount sufficient to satisfy debt service requirements of each special district with general obligation debt located in the County. Property taxes are levied and collected on property within the District and certified to by the Treasurer on behalf of the District. The following table sets forth the tax collection record of the District for the indicated fiscal years. Fiscal Year 2018/19 was the first year property taxes were levied by the District.

**TABLE 6
REAL AND SECURED PROPERTY TAXES LEVIED AND COLLECTED**

- (a) Reflects collections made through the end of the Fiscal Year, on such year's levy. Property taxes are payable in two installments. The first installment is due on October 1 and becomes delinquent on November 1; the second installment is due on March 1 and becomes delinquent on May 1. Delinquent taxes are subject to an interest and penalty charge of 16% per annum, which is prorated at a monthly rate of 1.333%. Interest and penalty collections for delinquent taxes are not included in the collection figures above but are deposited in the County's General Fund. Interest and penalties with respect to the first half tax collections (delinquent November 1) are waived if the full year's taxes are paid by December 31.
- (b) Tax levy is as reported by the Treasurer as of August of each tax year. Amount does not include adjustments made to levy amounts after the August report. The District's tax levy includes the amount necessary for debt service as well as the Operation and Maintenance Tax.
- (c) Total collections as percent of tax levy shown are based on the original levy set by the County and do not reflect adjustments.

Overlapping General Obligation Bonded Indebtedness

Overlapping general obligation bonded indebtedness is shown below including a breakdown of each overlapping jurisdiction’s applicable general obligation bonded indebtedness, Net Assessed Limited Property Value and combined tax rate per \$100 Net Assessed Limited Property Value. Outstanding bonded indebtedness is comprised of general obligation bonds outstanding and general obligation bonds scheduled for sale. The applicable percentage of each jurisdiction’s Net Assessed Limited Property Value which lies within the District’s boundaries was derived from information obtained from the County Assessor. See “**RISK FACTORS – Direct and Overlapping Indebtedness and Taxes.**”

If the assessed value within the District increases at a faster rate than the overlapping jurisdictions, the amount of overlapping debt allocated for payment within the District will increase.
- (b) Includes total general obligation bonds outstanding less redemption funds on hand. Does not include authorized but unissued general obligation bonds of such jurisdictions which may be issued in the future. Authorized but unissued amounts in the following table may be subject to additional reductions based on net premium amounts but such reductions are not reflected in the table. Additional bonds may also be authorized by voters within overlapping jurisdictions pursuant to future elections.

The obligation is evidenced by a master contract between CAWCD and the Department of the Interior. In April of 2003, the United States and CAWCD agreed to settle litigation over the amount of the construction cost repayment obligation, the amount of the respective obligations for payment of the operation, maintenance and replacement costs and the application of certain revenues and credits against such obligations and costs. Under the agreement, CAWCD’s obligation for substantially all of the CAP features that have been constructed so far will be set at \$1.646 billion, which amount assumes (but does not mandate) that the

* Subject to change.

United States will acquire a total of 667,724 acre-feet of CAP water for federal purposes. The United States will complete unfinished CAP construction work related to the water supply system and regulatory storage stages of CAP at no additional cost to CAWCD. Of the \$1.646 billion repayment obligation, 73% will be interest bearing and the remaining 27% will be non-interest bearing. These percentages have been fixed for the entire 50-year repayment period, which commenced October 1, 1993. CAWCD is a multi-county water conservation district having boundaries coterminous with the exterior boundaries of Arizona’s Maricopa, Pima and Pinal Counties. It was formed for the express purpose of paying administrative costs and expenses of the CAP and to assist in the repayment to the United States of the CAP capital costs. Repayment will be made from a combination of power revenues, subcontract revenues (i.e., agreements with municipal, industrial and agricultural water users for delivery of CAP water) and a tax levy against all taxable property within CAWCD’s boundaries. At the date of this Official Statement, the tax levy is limited to 14 cents per \$100 of Net Assessed Limited Property Value, of which 14 cents is currently being levied. (See Arizona Revised Statutes, Sections 48-3715 and 48-3715.02.) There can be no assurance that such levy limit will not be increased or removed at any time during the life of the contract. Does not include the obligation of the Maricopa County Flood Control District to contribute \$70 to \$80 million to the CAP. The Maricopa County Flood Control District’s sole source of revenue to pay the contribution will be *ad valorem* property taxes on real property and improvements.

- (c) Includes the Bonds. Does not include special assessment revenue bonds of the District. See “OVERLAPPING, ADDITIONAL OVERLAPPING AND OTHER DEBT AND OTHER TAXES – Other Debt of the District” herein.

Additional General Obligation Bonded Indebtedness of the District

In addition to the Bonds, the District retains the right to issue, in accordance with the procedures set forth in the Act, additional series of bonds payable from *ad valorem* property taxes. See “SECURITY FOR AND SOURCES OF PAYMENT OF THE BONDS –General Obligation Bonded Indebtedness Outstanding and to be Outstanding.” See also “**RISK FACTORS – Direct and Overlapping Indebtedness and Taxes.**”

The Act provides that the total aggregate outstanding amount of bonds and any other indebtedness for which the full faith and credit of the District are pledged will not exceed 60% of the aggregate of the estimated market value of the real property and improvements in the District after the public infrastructure of the District is completed plus the value of the public infrastructure owned or to be acquired by the District with the proceeds of the bonds. (Based solely on the Full Cash Value of the District as reported by the County Assessor, the Board has determined that issuance of the Bonds will meet the test set forth above. See “SECURITY FOR AND SOURCES OF PAYMENT OF THE BONDS – Ad Valorem Property Taxation in the District – Determination of Full Cash Value.”)

Pursuant to the Election, the District was authorized to incur general obligation bonded indebtedness in an amount not to exceed \$45,000,000 and will have \$35,989,000* of such amount remaining after issuance of the Bonds. Such remaining authorized but unissued amount may be subject to further reduction based on the amount of net premium on the general obligation bonds of the District. Additional indebtedness could be authorized for the District in the future pursuant to other elections.

Additional Overlapping General Obligation Bonded Indebtedness

The District has no control over the amount of additional indebtedness payable from taxes on all or a portion of the property within the District that may be issued in the future by other political subdivisions, including but not limited to the City, the County, Queen Creek Unified School District No. 95, Maricopa County Community College District, Maricopa Special Health Care District, East Valley Institute of Technology District No. 401 or other entities having jurisdiction over all or a portion of the land within the District. Additional indebtedness could be authorized for such overlapping jurisdictions in the future. See “**RISK FACTORS – Direct and Overlapping Indebtedness and Taxes.**”

Other Debt of the District

The District sold and issued the aggregate principal amount of special assessment revenue bonds related to assessment districts in the District, of which the aggregate principal amounts remain outstanding as listed in the following table.

**TABLE 11
OTHER DEBT OF THE DISTRICT**

Assessment District	Issue Series	Purpose	Original Amount	Final Maturity Date	Balance Outstanding
1	2019	Public Infrastructure Acquisition	\$2,012,000	07-01-2043	\$1,857,000
2	2019	Public Infrastructure Acquisition	287,000	07-01-2043	260,000
3	2020	Public Infrastructure Acquisition	2,803,000	07-01-2044	2,725,000
Total Other Debt of the District					<u>\$4,832,000</u>

Other series of special assessment revenue bonds payable solely from and secured by special, separate funds established and maintained by the District from installments due with respect to certain other special assessments may be issued by the District in the future. The term “special assessments” as used hereinabove refers to the assessments which would be levied and assessed by the District in the related assessment area which could encompass portions of the District, each of which would constitute a first lien on the parcel so levied and assessed, subordinate and subject only to general property taxes (such as those levied for debt service on the Bonds) and prior special assessments. The lien for the property taxes levied to pay debt service on the Bonds is senior to the lien of any such special assessments; however, the lien for such

* Subject to change.

special assessments are not extinguished by foreclosure with regard to taxes. There can be no assurance that additional amounts of such bonds payable from special assessments will not be issued in the future, increasing the amount of liens on property in the District for such purposes. See **“RISK FACTORS – Direct and Overlapping Indebtedness and Taxes.”**

BOND INSURANCE

Bond Insurance Policy

Concurrently with the issuance of the Bonds, Build America Mutual Assurance Company (“BAM”) will issue its Municipal Bond Insurance Policy for the Bonds (the “Policy”). The Policy guarantees the scheduled payment of principal of and interest on the Bonds when due as set forth in the form of the Policy included as an exhibit to this Official Statement. The Policy is not covered by any insurance security or guaranty fund established under New York, California, Connecticut or Florida insurance law.

Build America Mutual Assurance Company

BAM is a New York domiciled mutual insurance corporation and is licensed to conduct financial guaranty insurance business in all fifty states of the United States and the District of Columbia. BAM provides credit enhancement products solely to issuers in the U.S. public finance markets. BAM will only insure obligations of states, political subdivisions, integral parts of states or political subdivisions or entities otherwise eligible for the exclusion of income under section 115 of the U.S. Internal Revenue Code of 1986, as amended. No member of BAM is liable for the obligations of BAM.

The address of the principal executive offices of BAM is: 200 Liberty Street, 27th Floor, New York, New York 10281, its telephone number is: 212-235-2500, and its website is located at: www.buildamerica.com.

BAM is licensed and subject to regulation as a financial guaranty insurance corporation under the laws of the State of New York and in particular Articles 41 and 69 of the New York Insurance Law.

BAM’s financial strength is rated “AA/Stable” by S&P Global Ratings, a business unit of Standard & Poor’s Financial Services LLC (“S&P”). An explanation of the significance of the rating and current reports may be obtained from S&P at www.standardandpoors.com. The rating of BAM should be evaluated independently. The rating reflects the S&P’s current assessment of the creditworthiness of BAM and its ability to pay claims on its policies of insurance. The above rating is not a recommendation to buy, sell or hold the Bonds, and such rating is subject to revision or withdrawal at any time by S&P, including withdrawal initiated at the request of BAM in its sole discretion. Any downward revision or withdrawal of the above rating may have an adverse effect on the market price of the Bonds. BAM only guarantees scheduled principal and scheduled interest payments payable by the issuer of the Bonds on the date(s) when such amounts were initially scheduled to become due and payable (subject to and in accordance with the terms of the Policy), and BAM does not guarantee the market price or liquidity of the Bonds, nor does it guarantee that the rating on the Bonds will not be revised or withdrawn.

Capitalization of BAM

BAM’s total admitted assets, total liabilities, and total capital and surplus, as of June 30, 2021 and as prepared in accordance with statutory accounting practices prescribed or permitted by the New York State Department of Financial Services were \$488.6 million, \$165.5 million and \$323.1 million, respectively.

BAM is party to a first loss reinsurance treaty that provides first loss protection up to a maximum of 15% of the par amount outstanding for each policy issued by BAM, subject to certain limitations and restrictions.

BAM’s most recent Statutory Annual Statement, which has been filed with the New York State Insurance Department and posted on BAM’s website at www.buildamerica.com, is incorporated herein by reference and may be obtained, without charge, upon request to BAM at its address provided above (Attention: Finance Department). Future financial statements will similarly be made available when published.

BAM makes no representation regarding the Bonds or the advisability of investing in the Bonds. In addition, BAM has not independently verified, makes no representation regarding, and does not accept any responsibility for the accuracy or completeness of this Official Statement or any information or disclosure contained herein, or omitted herefrom, other than with respect to the accuracy of the information regarding BAM, supplied by BAM and presented under the heading “BOND INSURANCE”.

Additional Information Available from BAM

Credit Insights Videos. For certain BAM-insured issues, BAM produces and posts a brief Credit Insights video that provides a discussion of the obligor and some of the key factors BAM's analysts and credit committee considered when approving the credit for insurance. The Credit Insights videos are easily accessible on BAM's website at www.buildamerica.com/videos. (The preceding website address is provided for convenience of reference only. Information available at such address is not incorporated herein by reference.)

Credit Profiles. Prior to the pricing of bonds that BAM has been selected to insure, BAM may prepare a pre-sale Credit Profile for those bonds. These pre-sale Credit Profiles provide information about the sector designation (e.g. general obligation, sales tax); a preliminary summary of financial information and key ratios; and demographic and economic data relevant to the obligor, if available. Subsequent to closing, for any offering that includes bonds insured by BAM, any pre-sale Credit Profile will be updated and superseded by a final Credit Profile to include information about the gross par insured by CUSIP, maturity and coupon. BAM pre-sale and final Credit Profiles are easily accessible on BAM's website at www.buildamerica.com/credit-profiles. BAM will produce a Credit Profile for all bonds insured by BAM, whether or not a pre-sale Credit Profile has been prepared for such bonds. (The preceding website address is provided for convenience of reference only. Information available at such address is not incorporated herein by reference.)

Disclaimers. The Credit Profiles and the Credit Insights videos and the information contained therein are not recommendations to purchase, hold or sell securities or to make any investment decisions. Credit-related and other analyses and statements in the Credit Profiles and the Credit Insights videos are statements of opinion as of the date expressed, and BAM assumes no responsibility to update the content of such material. The Credit Profiles and Credit Insight videos are prepared by BAM; they have not been reviewed or approved by the issuer of or the underwriter for the Bonds, and the issuer and underwriter assume no responsibility for their content. BAM receives compensation (an insurance premium) for the insurance that it is providing with respect to the Bonds. Neither BAM nor any affiliate of BAM has purchased, or committed to purchase, any of the Bonds, whether at the initial offering or otherwise.

RISK FACTORS RELATED TO BOND INSURANCE

In the event of default of the payment of principal or interest with respect to any of the Bonds when all or some become due, any owner of the bonds on which such principal or interest was not paid will have a claim under the Policy for such payments. In the event the issuer of the Policy is unable to make payment of principal and interest as such payments become due under the Policy, the Bonds are payable solely from *ad valorem* property taxes as described under "SECURITY FOR AND SOURCES OF PAYMENT OF THE BONDS." In the event the Bond Insurer becomes obligated to make payments with respect to the Bonds, no assurance will be given that such event will not adversely affect the market price of the Bonds and the marketability (liquidity) of the Bonds.

The long-term ratings on the Bonds will be dependent in part on the financial strength of the Bond Insurer and its claims paying ability. The Bond Insurer's financial strength and claims paying ability will be predicated upon a number of factors which could change over time. No assurance will be given that the long-term rating of the Bond Insurer and of the rating on the Bonds insured by the Bond Insurer will not be subject to downgrade, and such event could adversely affect the market price of the Bonds and the marketability (liquidity) of the Bonds. See "RATING" herein.

The obligations of the Bond Insurer will be general obligations of the Bond Insurer, and in an event of default by the Bond Insurer, the remedies available may be limited by applicable bankruptcy law, state receivership or other similar laws related to insolvency of insurance companies.

None of the City, the District, the Financial Advisor, the Underwriter, or their respective attorneys, agents or consultants have made independent investigation into the claims paying ability of the Bond Insurer and no assurance or representation regarding the financial strength or projected financial strength of the Bond Insurer will be given. Thus, when making an investment decision, potential investors should carefully consider the ability of the District to pay principal of and interest on the Bonds and the claims paying ability of the Bond Insurer, particularly over the life of the investment.

LAND DEVELOPMENT

The information contained in this section relates to and has been obtained from the Developer, and none of the District, the Underwriter or the Financial Advisor assumes any responsibility for the accuracy or completeness thereof. The information included under the heading “RISK FACTORS” as it relates to the information contained under this heading is hereby incorporated under this heading by this reference.

The outbreak of novel coronavirus in December 2019 will have significant adverse effects on the global and U.S. economies, including (1) closures or cancellations of, or reductions in, productions or operations in affected countries, regions, states and cities, (2) mandatory quarantines and other restrictions on movement, transportation, or travel, (3) decrease in demand for certain products or services, and (4) disruptions to supply chain and other logistical networks. The models and sales offices operated by the homebuilders at the Project are open and the homebuilders are also employing online and virtual sales techniques to manage the sales process. The extent to which the coronavirus will affect the Project will depend on future developments which are highly uncertain and cannot be predicted, including new information that may emerge concerning the severity of the coronavirus and the actions taken to contain and treat the coronavirus, among others.

The Project is subject to a community plan adopted by the City in September of 2012 and a pre-annexation development agreement by and among the City, Harvard Ventures, Inc., a corporation organized and existing pursuant to the laws of the State of Nevada (“Harvard Ventures”) and the predecessor owner from which the Developer purchased the Project, dated September 5, 2012, and recorded on October 2, 2012, in the official records of the County as Instrument No. 2012-0894682 (as amended, the “Land Development Agreement”). The Land Development Agreement was assigned to the Developer as part of its purchase of the Project. The Land Development Agreement addresses various issues including, among other things, City services, reimbursements to the Developer for certain public infrastructure, the City’s processing of plans and permits, public bidding, the construction, terms restrictions and requirements for the annexation of the Project by the City and the construction of and installation of public infrastructure improvements by the Developer.

Cadence is planned to ultimately include, among other uses, approximately 322 acres of residential development and approximately 81 acres of non-residential development. See maps at pages (ii), (iii) and (iv) for the location of Cadence and the District.

The District is platted for 1,521 single family detached units, 135 high density single family units and 197 multi-family units. Phase 1 of Cadence consists of 575 single family detached units and 82 high density residential units, four neighborhood parks, the first phase of a network of trails to include a portion of the planned trails approximately paralleling State Route 24 right-of-way, currently under construction, on the west and south boundaries of the Project, and the recreational center which consists of a community center, visitors center, fitness center, tennis, basketball and Bocci ball courts, resort style swimming pool, event center and play area. Phases 2 and 3 consist of 748 single family detached units and 116 high density residential units, 7 neighborhood parks, and the second phase of a network of trails to include a portion of the planned trails approximately paralleling the State Route 24 right-of-way, currently under construction, on the west and south boundaries of the Project. Phase 4 consists of approximately 135 high density residential units and 197 multi-family units. The commercial phase of the Project has commenced development and several tenants are currently under contract.

Wastewater collection and treatment and potable water production and distribution are provided by the City. Electrical service for the Project is provided by Salt River Project. Gas service is provided by Southwest Gas. Telephone service is provided by CenturyLink. Cable service is provided by Cox Communications.

The District is located in Queen Creek Unified School District No. 95 within boundaries for Gateway Polytechnic Academy, Silver Valley Elementary and Eastmark High School. Gateway Polytechnic, serving pre-kindergarten through 8th grades, and Eastmark High School, serving 7th through 12th grades, are located near the Project. Silver Valley Elementary, serving pre-kindergarten through 6th grades, is a 15-acre school site located within the Project. Additionally, the charter school operator BASIS serves 4th through 12th grades at a school near the Project called BASIS Mesa at Eastmark. The charter school operator Edkey serves kindergarten through 6th grades at a school near the Project called Sequoia Pathfinder Academy at Eastmark.

Development of the property within the District and construction of homes and infrastructure is subject to obtaining various development and construction approvals and permits. Homebuilders will be required to obtain building and any additional permits required for the construction and completion of all such homes and certain other infrastructure.

Construction of substantially all necessary infrastructure, both offsite and onsite within the District boundaries, neighborhood parks, and entry monuments for which the Developer is responsible are complete and have been accepted by the City, if required. Either the Developer or the homebuilders are responsible for subdivision improvements necessary to deliver fully finished lots. Single family and multi-family residences will be constructed by the homebuilders.

The Developer is the project manager for the Project and the sole owner of the general partner of and the sole limited partner of each of PPGN-Ellsworth, LLLP, an Arizona limited liability limited partnership, PPGN-Core, LLLP, an Arizona limited liability limited partnership, PPGN-Crismon, LLLP, an Arizona limited liability limited partnership, PPGN-Williams, LLLP, an Arizona limited liability limited partnership, and PPGN-Ray, LLLP, an Arizona limited liability limited partnership (collectively, the “Original Landowners”). The Original Landowners have sold all portions of the property in the District to homebuilders and retail home buyers other than property dedicated to the City in conjunction with the public infrastructure, and those portions comprising “common areas” conveyed to the Cadence Homeowners Association. See TABLE 5. The general partner of the Developer is HVI-Pacific, LLLP, an Arizona limited liability limited partnership (“HVI-Pacific”), and the general partner of HVI-Pacific is Harvard Ventures. Harvard Ventures, its subsidiary Harvard Investments, and their affiliates (collectively, “Harvard”), headquartered in Scottsdale, Arizona, is the United States real estate investment and development arm of the Hill Companies, a land development company in Canada, which has operated as a privately held company since its inception in 1903. Harvard’s real estate holdings, through its affiliates and various joint ventures, are located throughout the southwestern United States. Harvard’s current and past real estate holdings include more than 80 projects including residential master planned communities, golf courses, custom home site projects and commercial developments. Since 1982, Harvard is currently developing, or has developed, more than 20 residential master planned communities including the Project, which includes entitlement of over 30,000 residential lots throughout Arizona, Texas and New Mexico.

The table below sets forth the status of sales of units in the Project:

- (a) City reimbursed Developer \$221,041.45 of the total cost for Crismon Road Phase 2 and \$166,061.50 for Crismon Road Phase 3 through the City's "City Share Program." The Certified Engineer's Cost is adjusted to remove City Share Program amounts from the Total Estimated Costs.
- (b) Includes acquisition costs from the District’s prior general obligation bonds and various assessment district special assessment revenue bonds.
- (c) Totals may not add due to rounding.

Crismon Road Phase 2 is composed of construction of new roadway within the District consisting of approximately 2,006 linear feet, Crismon Road full street improvements from Tuscan Avenue to Cadence Parkway. These improvements include sewer, water, water valves, fire hydrants, storm drain, concrete catch basins, storm drain bleed off pipes, concrete curb and gutter, concrete sidewalks, concrete ramps with truncated domes, concrete valley gutter and apron, paving, striping, street lights, public signage, hardscape, landscape and irrigation. The roadway consists of four paved driving lanes of 5 ½ inches of asphaltic concrete over 10 inches of aggregate base course and a raised divided landscaped median. All improvements are shown on the approved plans dated May 21, 2019 by the City. The improvements for Crismon Road Phase 2 were accepted by the City as of February 14, 2020.

Crismon Road Phase 3 is composed of construction of new roadway within the District consisting of approximately 1,200 linear feet, Crismon Road full street improvements from Cadence Parkway to Williams Field Road. These improvements include sewer, water, water valves, fire hydrants, storm drain, concrete catch basins, storm drain bleed off pipes, concrete curb and gutter, concrete sidewalks, concrete ramps with truncated domes, paving, striping, street lights, public signage, hardscape, landscape and irrigation. The roadway consists of four paved driving lanes and turn lanes of 5 ½ inches of asphaltic concrete over 10 inches of aggregate base course and a raised divided landscaped median. All improvements are shown on the approved plans dated October 29, 2019 by the City. The improvements for Crismon Road Phase 3 were accepted by the City as of August 26, 2020.

THE OTHER INFRASTRUCTURE

The information contained in this section relates to and has been obtained from the Developer, and none of the District, the Underwriter or the Financial Advisor assumes any responsibility for the accuracy or completeness thereof. The information included under the heading “RISK FACTORS” as it relates to the information contained under this heading is hereby incorporated under this heading by this reference.

Certain other infrastructure (collectively, the “Other Infrastructure”) has been constructed in connection with the development of the Project and the construction of homes therein as described below. The contract amounts for the Other Infrastructure listed below in excess of \$63,000,000 are all being paid by the Developer. The Other Infrastructure has been completed and approved by the City.

None of the Other Infrastructure is being financed with proceeds of the sale of the Bonds; some may, however, be acquired with the proceeds of special assessment bonds to be issued by the District in the future and/or be the subject of general obligation bonds to be issued by the District in the future.

The Other Infrastructure is more particularly described as follows:

RISK FACTORS

Investment in the Bonds involves a significant degree of risk and is speculative in nature. The Bonds will be secured solely by ad valorem property taxes to be levied on all taxable property within the boundaries of the District. Anyone considering investing in the Bonds should carefully examine this Official Statement, including the Appendices hereto. INVESTMENT IN THE BONDS SHOULD BE UNDERTAKEN ONLY BY PERSONS WHOSE FINANCIAL RESOURCES ARE SUFFICIENT TO ENABLE THEM TO ASSUME SUCH RISK. THIS SECTION SETS FORTH A BRIEF SUMMARY OF SOME OF THE PRINCIPAL RISK FACTORS. PROSPECTIVE INVESTORS SHOULD

* Subject to change.

FULLY UNDERSTAND AND EVALUATE THESE RISKS, IN ADDITION TO THE OTHER FACTORS SET FORTH IN THIS OFFICIAL STATEMENT, BEFORE MAKING AN INVESTMENT DECISION.

This discussion of risk factors is not, and is not intended to be, exhaustive, and such risk factors are not necessarily presented in the order of their magnitude.

General Risks of Real Estate Investment and Development; Certain Factors Which May Adversely Affect Development; Consequences

Investments in developing real estate such as undeveloped areas in the District are generally considered to be speculative in nature and to involve a high degree of risk. Owners of land in the District will be subject to the risks generally incident to real estate investments and development including those described herein.

Construction of houses on the lots within the District may be affected by changes in the income tax treatment of real property ownership; changes in national, regional and local market and economic conditions; changes in long and short term interest rates; changes in the climate for real estate purchases; changes in demand for or supply of competing properties; unanticipated development costs, market preferences and architectural trends; unforeseen environmental risks and controls; the adverse use of adjacent and neighboring real estate; changes in interest rates and the availability of mortgage funds to buyers of the homes to be built in Cadence, which may render the sale of such homes difficult or unattractive; acts of war, terrorism or other political instability; delays or inability to obtain governmental approvals; changes in laws; moratorium; force majeure (which may result in uninsured losses); strikes; labor shortages; energy shortages; material shortages; inflation; adverse weather conditions; subcontractor defaults; and other unknown contingencies and factors beyond the control of the owners of such land. Land development within the District could also be affected adversely by changes in governmental policies, including, but not limited to, governmental policies to restrict or control development. (Any approvals needed in the future for the development must come from the City, over which the District has no control.)

The residential development business, particularly with respect to communities such as Cadence, is highly competitive in the Phoenix metropolitan area. The business of merchant builders building in the District will face competition from a number of competitors in the City and other developments throughout the Phoenix metropolitan area, many of which offer or intend to offer lots and parcels in similar communities to a similar target market.

Decreased absorption rates associated with future slowdown could adversely affect land values and reduce the ability or desire of the property owners to pay ad valorem property taxes and assessments. In that event, there could be a default in the payment of principal of and interest on the Bonds.

An inability to develop the remaining land within the District will likely reduce the diversity of ownership of land within the District, making the holders of the Bonds more dependent upon timely payment of the ad valorem property taxes levied on vacant lots. Home product segmentation in the District consists of various distinct lot sizes. While every attempt was made to work with the homebuilders to segment and differentiate the home products among these lot sizes based on interior square footages, floor plans, features, and pricing, it is possible that some of the homebuilders may overlap in these areas across lot sizes. This overlap may result in slower absorptions by some homebuilders as well as cause pricing pressures.

Development requires obtaining a variety of governmental approvals and permits. Such approvals and permits are necessary to initiate construction and to allow the sale and occupancy of homes and to satisfy conditions included in the approvals and permits. There can be no assurance that all or any of these permits and approvals can be obtained or that the conditions to the approvals and permits can be fulfilled. The failure to obtain any of the required approvals or fulfill any one of the conditions could cause materially adverse financial results.

Concentration of Ownership; Subsequent Transfer

There can be no assurance that the Developer has the financial capability to complete development within the Project. There can be no assurance that the members of the limited liability limited partnership that form the Developer will provide additional funds to the Developer, nor that bank loans will be available to the Developer sufficient to pay all costs attributable to the Project, the Developer may have to depend on revenues from sales of lots and parcels to generate cash flow and otherwise make funds available to pay all costs associated with the ownership, operation and development of the Project. If the Developer has to depend on sales of lots and parcels to generate cash flow, there can be no assurance that sufficient funds will be available to the Developer to pay all of its obligations and liabilities,

including, without limitation, property taxes (including those relating to property then owned by the Developer to be applied to pay the Bonds), as such obligations and liabilities become due and payable.

See TABLE 5 with regard to the concentration of ownership of property in, and obligation for payment of property taxes of, the District in certain entities.

In addition, the Developer has transferred and intends to continue to transfer ownership of parcels (or portions thereof) designated for residential development within the District to homebuilders prior to completion of development therein. There are no restrictions on the ability of the Developer to sell parcels (or portions thereof). There can be no assurance that any homebuilder will ultimately acquire and develop all of the lots, nor any assurance that any homebuilder will be able to obtain the projected sales prices for any houses to be constructed on the lots.

Failure or Inability to Complete Proposed Development

The development of each phase of Cadence will be staged so that a particular phase will not be developed at one time. The funding for development of Cadence will be provided by the Developer and other sources. The availability of funding for the completion of Cadence will depend upon the demand for residential lots or units within Cadence and local, regional and national market and economic conditions. No assurance is given that funding will be obtained for development of Cadence, or, if obtained, will be in an amount sufficient to complete development of Cadence. If satisfactory funding is unavailable, completion of the development of the balance of Cadence may be delayed or suspended.

Public and private on-site and off-site improvements may increase the public and private debt on the land within the District. The burden of additional debt would be placed on the land within the District to complete the necessary improvements. See “RISK FACTORS – Direct and Overlapping Indebtedness and Taxes.”

Completion of the Public Infrastructure and the Other Infrastructure

The assessed valuation of the taxable property in the District may increase if and as the development of the Project continues. However, less than expected increases or decreases in the future assessed valuation of the taxable property in the District may reduce the willingness of landowners to pay the ad valorem property taxes securing the Bonds or adversely affect the interest of potential buyers of such property at any foreclosure sale for purposes of paying such taxes. See also “SECURITY FOR AND SOURCES OF PAYMENT OF THE BONDS – Ad Valorem Property Taxation in the District.”

The construction of infrastructure for development of the land in the District is approximately 90% complete and has been accepted by the City, if required. See “LAND DEVELOPMENT.” The cost and time for completion of all of such improvements is uncertain and may be affected by changes like those described herein. If cost overruns result in delay of construction, or if other delays are experienced, the sale of lots and construction of homes may be delayed. Failure or inability to complete proposed development including development of necessary utilities could affect adversely development of the land in the District.

Availability of Utilities

Water and sewer service to the District will be provided by the City as described under the heading “LAND DEVELOPMENT.” Failure or inability to complete proposed development, including development of necessary utilities could affect adversely development of the land in the District. See “RISK FACTORS – Failure or Inability to Complete Proposed Development.” Certain utilities are to be developed by the City pursuant to certain development agreements including as described above. There can be no assurances that such utilities will be financed and developed.

Effect of Valuation of Property

Information is provided herein with respect to the valuation of land within the District. See “SECURITY FOR AND SOURCES OF PAYMENT OF THE BONDS – Ad Valorem Property Taxation in the District.” Such valuation, and particularly decreases therein, may reduce the willingness of landowners to pay the ad valorem property taxes securing the Bonds, as well as adversely affect the interest of potential buyers of such property at any foreclosure sale for purposes of paying such taxes.

Direct and Overlapping Indebtedness and Taxes

The ability of an owner of land within the District to pay the ad valorem property taxes of the District could be affected by the existence of other taxes and assessments imposed upon the property. The District and other public entities whose boundaries overlap those of the District could, without the consent of the District and, in certain cases, without the consent of the owners of the land within the District, impose additional ad valorem property taxes or assessment liens on the property within the District in order to finance public improvements to be located inside or outside of the District. (The existing public debt relating to the District is set forth in “OVERLAPPING, ADDITIONAL OVERLAPPING AND OTHER DEBT AND OTHER TAXES.”) The lien created on the property within the District through the levy of ad valorem property taxes would be on a parity with the ad valorem property taxes securing the Bonds. The imposition of additional parity liens, or subordinate liens in the case of future special assessments, or for that matter for private financing, may reduce the ability or willingness of the landowners to pay the ad valorem property taxes securing the Bonds as well as, in the case of failure of payment thereof, the existence of buyers of such property at any foreclosure sale for purposes of paying such taxes. See “SECURITY FOR AND SOURCES OF PAYMENT OF THE BONDS – Ad Valorem Property Taxation in the District.”

Bankruptcy and Foreclosure Delays

It should be noted that in the event of bankruptcy of a taxpayer pursuant to the Bankruptcy Code, the law is currently unsettled as to whether a lien can be attached against the taxpayer’s property for property taxes levied during the pendency of bankruptcy. Such taxes might constitute an unsecured and possibly noninterest bearing administrative expense payable only to the extent that the secured creditors of a taxpayer are oversecured, and then possibly only on the prorated basis with other allowed administrative claims. It cannot be determined, therefore, what adverse impact bankruptcy might have on the ability to collect ad valorem property taxes on a property of a taxpayer within the District. Proceeds to pay such taxes come only from the taxpayer or from a sale of the tax lien on the property.

When a debtor files or is forced into bankruptcy, any act to obtain possession of the debtor’s estate, any act to create or perfect any lien against the property of the debtor or any act to collect, assess or recover a claim against the debtor that arose before the commencement of the bankruptcy would be stayed pursuant to the Bankruptcy Code. While the stay of a bankruptcy court may not prevent the sale of tax liens against the real property of a bankrupt taxpayer, the judicial or administrative foreclosure of a tax lien against the real property of a debtor would be subject to the stay of a bankruptcy court. It is reasonable to conclude that “tax sale investors” may be reluctant to purchase tax liens under such circumstances, and, therefore, the timeliness of post-bankruptcy petition tax collections becomes uncertain.

In the event the District is expressly enjoined or prohibited by law from collecting taxes due from any taxpayer, such as may result from the bankruptcy of a taxpayer, any resulting deficiency could be collected in subsequent tax years by adjusting the District’s tax rate charged to non-bankrupt taxpayers during such subsequent tax years.

It cannot be determined what impact any deterioration of the financial condition of any taxpayer, whether or not protection under the Bankruptcy Code is sought, may have on payment of or the secondary market for the Bonds. None of the District, the Underwriter or their respective agents or consultants has undertaken any independent investigation of the operations and financial condition of any taxpayer, nor have they assumed responsibility for the same.

The various legal opinions to be delivered concurrently with the delivery of the Bonds (including Bond Counsel’s approving legal opinion) will be qualified, as to the enforceability of the various legal instruments, by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally.

Amendment of Documents Referenced

The reports, inspections and other documents described in this Official Statement may be modified, updated or amended (as new reports and/or inspections may be obtained), and such modifications may materially and adversely affect the development of Cadence (e.g., updating of environmental reports).

The development of the property within the District is approximately 90% complete. Circumstances could change as the development process continues and other issues are raised or new developers or owners become involved. Accordingly, the Developer anticipates that there may be significant changes to the agreements and contracts summarized in this Official Statement to address any such issues. Because the existing contracts and agreements are subject to change, the summaries of any contracts or agreements contained herein may not accurately reflect the future

conditions relating to the development of the District; however, the Developer does not presently anticipate that any modifications of the current contracts or agreements would materially affect the repayment of the Bonds.

Environmental Matters

Property in the District will be subject to risks arising out of environmental, archeological and biological considerations generally associated with the ownership of real estate and the construction of improvements located thereon. Such risks include, in general, potential liability arising as a result of any contamination later discovered on the site and the possibility of a decline in property values in Cadence resulting from any contamination on the site or from the proximity of the site to other contaminated areas; discovery of archeological artifacts located on the site or in the vicinity of the site; or discovery of endangered species of animals, plants or other habitat for endangered species. Liability may arise under a variety of federal, state or local laws and regulations, including, but not limited to, the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA), the Resource Conservation and Recovery Act (RCRA), the Endangered Species Act and the National Historical Preservation Act.

Tax Cuts and Jobs Act

H.R. 1 of the 115th U.S. Congress, known as the “Tax Cuts and Jobs Act,” was enacted into law on December 22, 2017 (the “Tax Act”). The Tax Act makes significant changes to many aspects of the Internal Revenue Code of 1986, as amended (the “Code”). For example, the Tax Act reduces the amount of mortgage interest expense and state and local income tax and property tax expense that individuals may deduct from their gross income for federal income tax purposes, which could increase the cost of home ownership within the District. However, neither the City nor the District can predict the effect that the Tax Act may have on the cost of home ownership or the price of homes in the District, the pace at which homes in the District are sold to individual homeowners or the ability or willingness of homeowners to pay property taxes.

Projections

Included in this Official Statement are various projections for lot closings, completion dates, completion costs and other items. The projections are based on assumptions concerning future events and should be viewed with an abundance of caution. Circumstances that may not yet be ascertainable, which the Developer believes to be significant and which the Developer cannot control may also exist. There are usually differences between projections and results because events frequently do not occur as expected, and those differences may be material. There can be no assurances that the various projections set forth in this Official Statement can be achieved.

Risk of Internal Revenue Service Audit

The Internal Revenue Service (the “Service”) has announced a program of auditing tax-exempt bonds which can include those issued by special purpose governmental units, such as the District, for the purpose of determining whether the Service agrees (a) with the determination of Bond Counsel that interest on the Bonds is tax-exempt for federal income tax purposes or (b) that the District is in or remains in compliance with Service regulations and rulings applicable to governmental bonds such as the Bonds. The commencement of an audit of the Bonds could adversely affect the market value and liquidity of the Bonds, regardless of the final outcome. An adverse determination by the Service with respect to the tax-exempt status of interest on the Bonds could be expected to adversely impact the secondary market, if any, for the Bonds, and, if a secondary market exists, would also be expected to adversely impact the price at which the Bonds can be sold. The Bond Resolution does not provide for any adjustment to the interest rates borne by the Bonds in the event of a change in the tax-exempt status of the Bonds. Owners of the Bonds should note that, if the Service audits the Bonds, under current audit procedures the Service will treat the District as the taxpayer during the initial stage of the audit, and the owners of the Bonds will have limited rights to participate in such procedures. There can be no assurance that the District will have revenues available to contest an adverse determination by the Service. No transaction participant, including the District, the Financial Advisor, Bond Counsel, counsel to the Underwriter, or the Underwriter is obligated to pay or reimburse the owner of any of the Bonds for audit or litigation costs in connection with any legal action, by the Service or otherwise, relating to the Bonds.

There can be no assurance that an audit by the Service of the Bonds will not be commenced. However, the District has no reason to believe that any such audit will be commenced, or that if commenced, an audit would result in a conclusion of noncompliance with any applicable Service position, regulation or ruling. No rulings have been or will be sought from the Service with respect to any federal tax matters relating to the issuance, purchase, ownership, receipt or accrual of interest upon, or disposition of the Bonds. See also “TAX MATTERS” herein.

Risks Related to Coronavirus Disease 2019 (COVID-19)

The COVID-19 global pandemic continues to affect the nation and the State with ongoing concerns related to health and safety, appropriate preventative protocols, fiscal and economic issues, and student learning loss. At present, government and business operations in the State, following the rescindment of numerous COVID-19-related Executive Orders by Arizona Governor Doug Ducey (the “Governor”), essentially function without government-imposed restrictions relating to the pandemic.

The District does not anticipate that the collection of property taxes, which may be a significant revenue source for operating purposes and is the security and source of payment of principal and interest due on the Bonds, will be affected unless severe economic hardship causes a significant decrease in property tax collections. Such a decline in property tax collections could negatively affect the District’s ability to pay debt service on the Bonds.

The District cannot predict how the spread of COVID-19 (including COVID-19 variants such as the “Delta” variant and future, similar variants) or the various governmental or private actions taken in response thereto will affect its finances or operations, including the receipt of property tax collections.

The Project has experienced a limited impact from the COVID-19 pandemic to-date. Although the pace of home sales within the Project decreased at the onset of COVID-19 and through state stay-at-home mandates, home pricing has continued to increase, and the sales pace has returned to levels consistent with levels prior to the onset of the COVID-19 pandemic.

Postponed Foreclosures

On March 26, 2020, the United States Congress passed the Coronavirus Aid, Relief, and Economic Security (CARES) Act. Under the CARES Act, certain homeowners may be eligible to receive forbearance and pause payments for a minimum of six months, with the possibility of an additional six months. The CARES Act provides for the suspension of foreclosure actions and evictions. Homeowners subject to any of the following federally-backed loans may be eligible: (i) loans insured by the Federal Housing Administration (FHA) under Title II of the National Housing Act, which is the main title under which FHA insures residential mortgage loans; (ii) loans insured under National Housing Act section 255, which addresses home equity conversion (i.e., reverse) mortgage loans insured by FHA; (iii) loans guaranteed under Housing and Community Development Act of 1992, sections 184 or 184A, which address loans related to Native American families and housing authorities and loans related to Native Hawaiian families and authorities; (iv) loans guaranteed or insured by the U.S. Department of Veterans Affairs (VA); (v) loans Guaranteed or insured by the U.S. Department of Agriculture (USDA); (vi) loans originated by the USDA; or (vii) loans purchased or securitized by Fannie Mae or Freddie Mac. On July 31, 2021, the Federal Housing Administration (FHA), the U.S. Department of Agriculture (USDA), the U.S. Department of Housing and Urban Development (HUD), the U.S. Department of Treasury, and the U.S. Department of Veterans Affairs (VA) announced extensions of their moratorium on evictions for foreclosed borrowers and their occupants through September 30, 2021. The extensions are part of President Biden’s announcement on July 29, 2021, that federal agencies will use their authority to extend their respective eviction moratoria through the end of September 2021, which will provide continued protection for households in federally-insured, single-family properties. Similarly on July 31, 2021, the Federal Housing Finance Agency (FHFA) announced that Fannie Mae and Freddie Mac (the “Enterprises”) are extending the moratorium on single-family real estate owned (REO) evictions until September 30, 2021. The REO eviction moratorium applies to properties that have been acquired by an Enterprise through foreclosures or deeds-in-lieu of foreclosure. The current moratorium was set to expire on July 31, 2021. Additionally, other mortgage lenders have announced similar suspensions of foreclosures or forbearance options in connection with loans that may not be backed by the federal government. Any impact of such suspension of foreclosures on the on properties within the District with delinquent property taxes cannot be predicted at this time. Any impact of such forbearance options mortgage payments, which may include property taxes (including, ad valorem property taxes securing repayment the Bonds) and assessments that are collected by the mortgage lender with monthly mortgage payments and then remitted to the Treasurer, cannot be predicted at this time. On March 24, 2020, the Governor signed Executive Order 2020-14: “Postponement of Eviction Actions,” which mandates that Arizona law enforcement officers shall temporarily delay enforcement of eviction action orders for residential premises under certain circumstances related to the effects of COVID-19, which was extended through October 31, 2020. Although the Governor’s Executive Order only pertains to rental property evictions, governors of other states have announced temporary suspensions of residential mortgage foreclosure actions in response to the COVID-19 outbreak. Whether the Governor will sign a similar Executive Order temporarily suspending residential mortgage foreclosure actions in Arizona, and the impact of any such potential Executive Order

on foreclosures on properties within the District with delinquent ad valorem property tax payments, cannot be determined at this time.

No Review of Filings

As described in footnote (a) to TABLE 5, none of the District, the Underwriter, the Financial Advisor, Bond Counsel or counsel to the Underwriter have examined the information set forth in the Filings for accuracy or completeness, or examined similar information for entities or their parent companies that are not subject to same or similar informational requirements.

No District Financial Statements

The District is not required to prepare financial statements and has not previously prepared financial statements.

LITIGATION

At the time of delivery and payment for the Bonds, appropriate representatives of the District will certify that, except as disclosed herein, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, regulatory agency, public board or body, pending or overtly threatened against the District affecting the existence of the District, or the titles of its officers to their respective offices, or seeking to restrain or to enjoin the sale or delivery of the Bonds, the application of the proceeds thereof in accordance with the Bond Resolution, or the collection or application of any revenues providing for the payment of the Bonds, or in any way contesting or affecting the validity or enforceability of the Bonds, the Bond Resolution, any action of the District contemplated by any of the said documents, or in any way contesting the completeness or accuracy of this Official Statement or any amendment or supplement thereto, or contesting the powers of the District or its authority with respect to the Bonds or any action of the District contemplated by any of said documents.

QUALIFIED TAX-EXEMPT OBLIGATIONS

The District will designate the Bonds as “qualified tax-exempt obligations” for purposes of Section 265(b)(3)(B) of the Code, and, in that regard, will represent and warrant that it does not anticipate that the aggregate amount of qualified tax-exempt bonds (as defined in Section 265(b)(3)(B) of the Code) which will be issued by or on behalf of the District in calendar year 2021 will exceed \$10,000,000.

The Code generally provides that a financial institution may not deduct that portion of its interest expense which is allocable to tax-exempt interest. The interest expense which is allocable to tax-exempt interest is an amount which bears the same ratio to the institution’s interest expense as the institution’s average adjusted basis of tax-exempt obligations acquired after August 7, 1986 bears to the average adjusted basis of all assets of the institution. Tax-exempt obligations may be treated as if issued prior to August 7, 1986 (and therefore are not subject to this rule), if they are “qualified tax-exempt obligations” as defined in the Code and are designated for this purpose by the District.

The District has designated the Bonds for this purpose; however, under provisions of the Code dealing with financial institution preference items, certain financial institutions, including banks, are denied 20% of their otherwise allowable deduction for interest expense with respect to obligations incurred or continued to purchase or carry the Bonds. In general, interest expense with respect to obligations incurred or continued to purchase or carry the Bonds will be in an amount which bears the same ratio as the institution’s average adjusted basis in the Bonds bears to the average adjusted basis of all assets of the institution.

Amendments to the Code could be enacted in the future and there is no assurance that any such future amendments which may be made to the Code will not adversely affect the ability of banks or other financial institutions to deduct any portion of the interest expense allocable to tax-exempt interest.

TAX MATTERS

In the opinion of Bond Counsel, assuming continuous compliance with certain covenants described below, interest on the Bonds is excluded from gross income under federal income tax laws pursuant to Section 103 of the Code, and interest on the Bonds is excluded from alternative minimum taxable income as defined in Section 55(b)(2) of the Code. In the opinion of Bond Counsel, interest income on the Bonds is exempt from State of Arizona income taxes. For purposes of this paragraph and the succeeding discussion, “interest” includes the original issue discount on certain of the Bonds only to the extent such original issue discount is accrued as described herein. The opinion of Bond Counsel will be dated the date of delivery of the Bonds. A form of such opinion is included herein in APPENDIX B – “Form of Approving Legal Opinion of Bond Counsel.”

The Code imposes several requirements which must be met with respect to the Bonds in order for the interest thereon to be excluded from gross income and alternative minimum taxable income. Certain of these requirements must be met on a continuous basis throughout the term of the Bonds. These requirements include: (a) limitations as to the use of proceeds of the Bonds; (b) limitations on the extent to which proceeds of the Bonds may be invested in higher yielding investments; and (c) a provision, subject to certain limited exceptions, that requires all investment earnings on the proceeds of the Bonds above the yield on the Bonds to be paid to the United States Treasury. The District covenanted and represented in the Bond Resolution and will covenant and represent in a federal tax exemption certificate of the District that: it will not take any action or omit to take any action with respect to the Bonds, any funds of the District, or any facilities financed with the proceeds of the Bonds, if such action or omission (i) would cause the interest on the Bonds to lose its exclusion from gross income for federal income tax purposes under Section 103 of the Code, or (ii) would cause interest on the Bonds to lose its exclusion from alternative minimum taxable income as defined in Section 55(b)(2) of the Code. Bond Counsel’s opinion as to the exclusion of interest on the Bonds from gross income and alternative minimum taxable income is rendered in reliance on these covenants, and assumes continuous compliance therewith. The failure or inability of the District to comply with these requirements could cause the interest on the Bonds to be included in gross income, alternative minimum taxable income or both from the date of issuance. Bond Counsel’s opinion also is rendered in reliance upon certifications of the District and other certifications furnished to Bond Counsel. Bond Counsel has not undertaken to verify such certifications by independent investigation.

With respect to the Bonds that were sold in the initial offering at a discount (the “Discount Bonds”), the difference between the stated redemption price of the Discount Bonds at maturity and the initial offering price of those bonds to the public (as defined in Section 1273 of the Code) will be treated as “original issue discount” for federal income tax purposes and will, to the extent accrued as described below, constitute interest which is excluded from gross income or alternative minimum taxable income under the conditions described in the preceding paragraphs. The original issue discount on the Discount Bonds is treated as accruing over the respective terms of such Discount Bonds on the basis of a constant interest rate compounded at the end of each six-month period (or shorter period from the date of original issue) ending on January 15 and July 15 with straight line interpolation between compounding dates. The amount of original issue discount accruing each period (calculated as described in the preceding sentence) constitutes interest which is excluded from gross income or alternative minimum taxable income under the conditions and subject to the exceptions described in the preceding paragraphs and will be added to the owner’s basis in the Discount Bonds. Such adjusted basis will be used to determine taxable gain or loss upon disposition of the Discount Bonds (including sale or payment at maturity). Owners should consult their own tax advisors with respect to the tax consequences of the ownership of the Discount Bonds.

Owners who purchase Discount Bonds after the initial offering or who purchase Discount Bonds in the initial offering at a price other than the initial offering price (as defined in Section 1273 of the Code) should consult their own tax advisors with respect to the federal tax consequences of the ownership of the Discount Bonds. Owners who are subject to state or local income taxation should consult their tax advisor with respect to the state and local income tax consequences of ownership of the Discount Bonds. It is possible that, under the applicable provisions governing determination of state and local taxes, accrued original issue discount on the Discount Bonds may be deemed to be received in the year of accrual even though there will not be a corresponding cash payment.

The Code contains numerous provisions which may affect an investor’s decision to purchase the Bonds. Owners of the Bonds should be aware that the ownership of tax-exempt obligations by particular persons and entities, including, without limitation, financial institutions, insurance companies, recipients of Social Security or Railroad Retirement benefits, taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations, foreign corporations doing business in the United States and certain “subchapter S” corporations may result in adverse federal and state tax consequences. Under Section 3406 of the Code, backup withholding may be imposed on payments

on the Bonds made to any owner who fails to provide certain required information, including an accurate taxpayer identification number, to certain persons required to collect such information pursuant to the Code. Backup withholding may also be applied if the owner underreports “reportable payments” (including interest and dividends) as defined in Section 3406, or fails to provide a certificate that the owner is not subject to backup withholding in circumstances where such a certificate is required by the Code. Certain of the Bonds were sold at a premium, representing a difference between the original offering price of those Bonds and the principal amount thereof payable at maturity. Under certain circumstances, an initial owner of such bonds (if any) may realize a taxable gain upon their disposition, even though such bonds are sold or redeemed for an amount equal to the owner’s acquisition cost. Bond Counsel’s opinion relates only to the exclusion of interest (and, to the extent described above for the Discount Bonds, original issue discount) on the Bonds from gross income and alternative minimum taxable income as described above and will state that no opinion is expressed regarding other federal tax consequences arising from the receipt or accrual of interest on or ownership of the Bonds. Owners of the Bonds should consult their own tax advisors as to the applicability of these consequences.

The opinion expressed by Bond Counsel are based on existing law as of the delivery date of the Bonds. No opinion is expressed as of any subsequent date nor is any opinion expressed with respect to pending or proposed legislation. Amendments to the federal or state tax laws may be pending now or could be proposed in the future that, if enacted into law, could adversely affect the value of the Bonds, the exclusion of interest (and, to the extent described above for the Discount Bonds, original issue discount) on the Bonds from gross income or alternative minimum taxable income or both from the date of issuance of the Bonds or any other date, the tax value of that exclusion for different classes of taxpayers from time to time, or that could result in other adverse tax consequences. In addition, future court actions or regulatory decisions could affect the tax treatment or market value of the Bonds. Owners of the Bonds are advised to consult with their own tax advisors with respect to such matters.

The Service has an ongoing program of auditing tax-exempt obligations to determine whether, in the view of the Service, interest on such tax-exempt obligations is includable in the gross income of the owners thereof for federal income tax purposes. No assurances can be given as to whether or not the Service will commence an audit of the Bonds. If an audit is commenced, the market value of the Bonds may be adversely affected. Under current audit procedures the Service will treat the District as the taxpayer and the Bond owners may have no right to participate in such procedures. The District has covenanted in the Bond Resolution, and will covenant in the federal tax exemption certificate of the District, not to take any action that would cause the interest on the Bonds to lose its exclusion from gross income for federal income tax purposes or lose its exclusion from alternative minimum taxable income for the owners thereof for federal income tax purposes. None of the District, the Financial Advisor, the Underwriter, Bond Counsel or counsel to the Underwriter is responsible for paying or reimbursing any Bond holder with respect to any audit or litigation costs relating to the Bonds.

RATING

S&P is expected to assign the rating of “AA” to the Bonds with the understanding that the Policy will be delivered by the Bond Insurer simultaneously with the issuance of the Bonds. S&P has not assigned an underlying rating to the Bonds. Such rating reflects only the view of S&P. An explanation of the significance of any rating assigned by S&P may be obtained at One California Street, 31st Floor, San Francisco, California 94111. Such rating may be revised downward or withdrawn entirely at any time by S&P if, in its judgment, circumstances so warrant. Any downward revision or withdrawal of such rating may have an adverse effect on the market price or marketability of the Bonds. The District has covenanted in its continuing disclosure undertaking that it will file notice of any formal change in any rating relating to the Bonds. See “CONTINUING DISCLOSURE” and APPENDIX D – “Form of Continuing Disclosure Undertaking” hereto.

NO FINANCIAL STATEMENTS

The District is not required to, nor does it, prepare financial statements. See “**RISK FACTORS – No District Financial Statements.**”

LEGAL MATTERS

Legal matters incident to the issuance of the Bonds and with regard to the tax-exempt status of the interest thereon are subject to the legal opinion of Sherman & Howard L.L.C., Phoenix, Arizona, Bond Counsel. (See “TAX MATTERS”). Signed copies of the opinion, dated and speaking only as of the date of delivery of the Bonds, will be delivered upon the initial delivery of the Bonds in substantially the form of APPENDIX B hereto. Certain legal matters will be passed upon for the District by Bond Counsel, for the Underwriter by its counsel, Greenberg Traurig, LLP, Phoenix, Arizona, and for

the Developer by its counsel, Ballard Spahr LLP, Phoenix, Arizona [and Titus Brueckner & Levine PLC, Scottsdale, Arizona].

The various legal opinions to be delivered concurrently with the delivery of the Bonds express the professional judgment of the attorneys rendering the opinions as to the legal issue explicitly addressed therein. By rendering a legal opinion, the opinion giver does not become an insurer or guarantor of that expression of professional judgment, of the transaction opined upon, or of the future performance of parties to the transaction. Nor does the rendering of an opinion guarantee the outcome of any legal dispute that may arise out of the transaction.

UNDERWRITING

The Bonds will be purchased by Stifel, Nicolaus & Company, Incorporated (the “Underwriter”) at an aggregate purchase price of \$ _____, pursuant to a purchase contract (the “Purchase Contract”) entered into by and between the District and the Underwriter. If the Bonds are sold to produce the prices or yields shown on the inside front cover page hereof, the Underwriter’s compensation will be \$ _____. The Purchase Contract provides that the Underwriter will purchase all of the Bonds so offered if any are purchased. The Underwriter may offer and sell the Bonds to certain dealers (including dealers depositing the Bonds into unit investment trusts) and others at prices higher or yields lower than the public offering prices or yields stated on the inside front cover page hereof. The initial offering prices or yields set forth on the inside front cover page may be changed, from time to time, by the Underwriter without amendment of the Official Statement.

CONTINUING DISCLOSURE

The District has covenanted for the benefit of certain beneficial owners of the Bonds to provide certain financial information and operating data relating to the District by not later than February 1 of each year commencing February 1, 2022 (the “Annual Reports”), and to provide notices of the occurrence of certain enumerated events (the “Notices of Listed Events”). The Annual Reports and the Notices of Listed Events will be filed by the District with the MSRB through EMMA. The specific nature of the information to be contained in the Annual Reports and in the Notices of Listed Events is set forth in APPENDIX D – “Form of Continuing Disclosure Undertaking,” which includes the form of continuing disclosure undertaking which will be executed by the District with respect to the Bonds.

These covenants will be made in order to assist the Underwriter in complying with the Commission Rule 15c2-12 (the “Rule”). A failure by the District to comply with these covenants must be reported in accordance with the Rule and must be considered by any broker, dealer or municipal securities dealer before recommending the purchase or sale of the Bonds in the secondary market. Also pursuant to Arizona law, the ability of the District to comply with such covenants is subject to annual appropriation of funds sufficient to provide for the costs of compliance with such covenants. Should the District not comply with such covenants due to a failure to appropriate for such purposes, the District has covenanted to provide notice of such fact in the same fashion it provides the Notices of Listed Events. Absence of continuing disclosure could adversely affect the Bonds and specifically their market price and transferability.

FINANCIAL ADVISOR

Hilltop Securities Inc. (the “Financial Advisor”), has been engaged by the District for the purpose of advising the District as to certain debt service structuring matters specific to the Bonds and on certain matters relative to the District’s overall debt financing program. The Financial Advisor has assisted in the assembly and preparation of this Official Statement at the discretion and on behalf of the District. No person is entitled to rely on the Financial Advisor’s participation as an assumption of responsibility for, or an expression of opinion of any kind with regard to, the accuracy and completeness of the information contained herein.

RELATIONSHIPS AMONG PARTIES

Sherman & Howard L.L.C., Bond Counsel, has acted as counsel to the Underwriter and the Financial Advisor in other transactions underwritten by the Underwriter and by the Financial Advisor and as bond counsel in other transactions underwritten by the Underwriter and by the Financial Advisor. Greenberg Traurig, LLP, counsel to the Underwriter, has acted as bond counsel in other transactions underwritten by the Underwriter and by the Financial Advisor. Greenberg Traurig, LLP, Sherman & Howard L.L.C. and Ballard Spahr LLP have also acted as bond counsel and/or counsel to the underwriter with respect to bonds issued by the City and/or other overlapping political subdivisions.

The Underwriter and the Financial Advisor have underwritten or acted as financial advisor with respect to bonds issued by the City and other overlapping political subdivisions. The Underwriter and the Financial Advisor have underwritten or acted as financial advisor on other transactions together and expect to do so in the future.

This Official Statement has been approved, executed and delivered by the District.

CADENCE COMMUNITY FACILITIES DISTRICT
(CITY OF MESA, ARIZONA)

By
Chairman, Board of Directors

INFORMATION REGARDING THE CITY OF MESA, ARIZONA

The following is given as background information concerning the City. THE BONDS WILL NOT BE AN OBLIGATION OF THE CITY. The Bonds will be secured and payable only as described under “SECURITY FOR AND SOURCES OF PAYMENT OF THE BONDS” herein. The holders of the Bonds will have no right to payment except as described therein.

General

The City is the third largest city in the State and the 35th largest city in the United States. Founded in 1878 and incorporated in 1883, the City had a 2020 estimated population of 504,410. The following table illustrates the City’s population statistics since 1990, along with the population statistics for the County and the State, respectively.

POPULATION STATISTICS

Municipal Government and Organization

The City operates under a charter form of government with citizens electing a Mayor and six City Councilmembers to set policy for the City. In 1998, a voter initiative was approved changing the way that City Councilmembers are elected from an at-large to a district system. Six districts were created in March 2000 with City Councilmembers serving staggered four-year terms. The Mayor continues to be elected at-large every four years. The Mayor and City Councilmembers are elected on a non-partisan basis, and the Vice Mayor is a City Councilmember selected by the City Council.

The City Manager, who has full responsibility for carrying out City Council policies and administering City operations, is appointed by the City Council. The City Manager is responsible for the appointment of City department heads. Additionally, City employees are hired under merit system procedures as specified in the City Charter. The various functions of City government and operations are undertaken by City employees working the various City departments.

City Administrative Staff

Christopher Brady, City Manager. Mr. Brady was appointed by the City Council to serve as City Manager effective January 1, 2006. Under the City’s council-manager form of government, the City Manager serves as the chief operating officer of the City, one of the fastest-growing cities of the United States. Mr. Brady implements the policies established

by the City Council and coordinates all City departments and other affairs assigned by the City Charter. Prior to joining the City, Mr. Brady served as Assistant City Manager for the City of San Antonio, Texas. Mr. Brady has a Bachelor of Fine Arts degree in Political Science and a Master of Public Administration degree from Brigham Young University.

John Pombier, Assistant City Manager. Mr. Pombier was hired as the City Prosecutor in 2003 and was promoted to Assistant City Manager in 2011. Mr. Pombier has a law degree from Arizona State University and a Bachelor of Business Administration degree from University of Michigan School of Business.

Michael Kennington, Deputy City Manager and Chief Financial Officer. Mr. Kennington was hired as the City’s Chief Financial Officer in July 2012 and was promoted to Deputy City Manager and Chief Financial Officer in 2019. He is responsible for the City’s overall financial policies, strategies, planning and forecasts. Mr. Kennington has a Master of Accountancy degree and Master of Business Administration degree from Brigham Young University and is a Certified Public Accountant.

Economy

The City’s major economic sectors are comprised of manufacturing, non-manufacturing, government and commercial activities (including construction and commerce), and tourism.

The following table sets forth unemployment rate averages for the United States, the State, the County and the City for the current year and most recent five years for which such information is available.

UNEMPLOYMENT RATE AVERAGES

Year	United States	State of Arizona (a)	Maricopa County (a)	City of Mesa (a)
2021 (b)	6.2%	6.7%	6.3%	6.3%
2020	8.1	7.9	7.4	7.3

Phoenix-Mesa Gateway Airport and the Airport/Campus District

Phoenix-Mesa Gateway Airport (formerly known as Williams Gateway Airport) has three runways (10,401 feet, 10,201 feet, and 9,301 feet) and a passenger terminal. Phoenix-Mesa Gateway Airport is a small-hub commercial airport serving the Phoenix-Mesa metropolitan area with direct service to 50 destinations currently provided by Allegiant Air, Swoop and WestJet.

Phoenix-Mesa Gateway Airport is also developing as an international aerospace center with aircraft maintenance, modification, testing, and pilot training. Currently more than 40 companies operate on the airport, including manufacturer service centers for Cessna and Embraer. In Fiscal Year 2012/13, the airport commissioned Arizona State University to conduct an economic impact study. According to that study, the economic benefit (including all multiplier effects) totaled \$1.3 billion, supporting 10,470 jobs in the area. On-airport economic activity produced \$373 million of output, creating employment for 2,042 on-airport workers.

Phoenix-Mesa Gateway Airport is owned and operated by the Phoenix-Mesa Gateway Airport Authority whose members include the City, City of Phoenix, Town of Gilbert, Town of Queen Creek, the City of Apache Junction and the Gila River Indian Community.

Adjacent to Phoenix-Mesa Gateway Airport, the Airport/Campus District serves approximately 8,700 students. The campus includes five higher education partners - Arizona State University (“ASU”) Polytechnic campus, Chandler-Gilbert Community College, Embry-Riddle Aeronautical University, Mesa Community College and UND Aerospace (University of North Dakota, John D. Odegard School of Aerospace Sciences – Phoenix Flight Training Center). The ASU Polytechnic campus has expanded and added new academic buildings that doubled the instructional lab and classroom space, and added faculty offices and a 500-seat auditorium.

State Route 24, a one-mile freeway segment extending access from the existing State Route 202 freeway eastward, was completed May 2014. This freeway segment lies immediately north of Phoenix-Mesa Gateway Airport, and provides freeway access to the east side of the airport property. Such access is beneficial for the economic development of properties located on, and adjacent to, Phoenix-Mesa Gateway Airport, as well as future terminal development on the east side.

The City owns and operates the Mesa Convention Center (the "Convention Center") which offers convention facilities. The Convention Center is situated on a 17-acre site adjacent to the Phoenix Marriott Mesa. The Convention Center includes Centennial Hall, which is a multipurpose facility of approximately 15,000 square feet, and the Centennial Conference Center and the Rendezvous Center, which offer an additional 18,500 square feet of meeting space. The City operates and maintains 58 parks, including 11 sports complexes and 133 basins covering more than 2,000 acres. In addition, the City manages 9 aquatic facilities, 2 Major League Baseball Spring Training stadiums and a par 72, 18 hole championship golf course. The award-winning Mesa Arts Center facility opened in spring of 2005 and is located in the downtown area of the City. The Mesa Arts Center is a 212,775 square-foot performing arts, visual arts and arts education facility, the largest and most comprehensive arts center in the State.

Agriculture

Although still a contributor to the economic base, the agricultural sector is no longer a significant factor of the City's economy due to the industrial, commercial and residential development which has occurred over the past 30 years. The principal products of the City's remaining agricultural sector are dairy and citrus.

FORM OF APPROVING LEGAL OPINION OF BOND COUNSEL

[Closing Date]

Cadence Community Facilities District
(City of Mesa, Arizona)

\$1,580,000*
Cadence Community Facilities District
(City of Mesa, Arizona)
General Obligation Bonds, Series 2021
(Bank Qualified)

Ladies and Gentlemen:

We have acted as bond counsel to Cadence Community Facilities District (City of Mesa, Arizona) (the “Issuer”), in connection with the issuance of its General Obligation Bonds, Series 2021, in the aggregate principal amount of \$1,580,000* (the “Bonds”), pursuant to an authorizing resolution of the Board of Directors of the Issuer adopted on September 30, 2021* (the “Bond Resolution”). In such capacity, we have examined the Issuer’s certified proceedings and such other documents and such law of the State of Arizona and of the United States of America as we have deemed necessary to render this opinion letter.

Regarding questions of fact material to our opinions, we have relied upon the Issuer’s certified proceedings and other representations and certifications of public officials and others furnished to us without undertaking to verify the same by independent investigation.

Based upon such examination, it is our opinion as bond counsel that:

1. The Bonds constitute valid and binding general obligations of the Issuer.
2. All of the taxable property of the Issuer is subject to the levy of an ad valorem tax to pay the Bonds without limit as to rate or amount.
3. Interest on the Bonds is excluded from gross income under federal income tax laws pursuant to Section 103 of the Internal Revenue Code of 1986, as amended to the date hereof (the “Tax Code”), and interest on the Bonds is excluded from alternative minimum taxable income as defined in Section 55(b)(2) of the Tax Code. The opinions expressed in this paragraph assume continuous compliance with the covenants and continued accuracy of the representations contained in the Issuer’s certified proceedings and in certain other documents and certain other certifications furnished to us.
4. Under laws of the State of Arizona in effect as of the date hereof, interest on the Bonds is exempt from Arizona income tax.

The opinions expressed in this opinion letter are subject to the following:

The obligations of the Issuer incurred pursuant to the Bonds and the Bond Resolution may be limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors’ rights generally, and by equitable principles, whether considered at law or in equity.

We understand that _____ has issued a municipal bond insurance policy relating to the Bonds. We express no opinion as to the validity or enforceability of such policy or the security afforded thereby.

* Subject to change.

In this opinion letter issued in our capacity as bond counsel, we are opining only upon those matters set forth herein, and we are not passing upon the accuracy, adequacy or completeness of the Official Statement dated _____, 2021, relating to the Bonds or any other statements made in connection with any offer or sale of the Bonds or upon any federal or state tax consequences arising from the receipt or accrual of interest on or the ownership or disposition of the Bonds, except those specifically addressed herein.

This opinion letter is issued as of the date hereof and we assume no obligation to revise or supplement this opinion letter to reflect any facts or circumstances that may hereafter come to our attention or any changes in law that may hereafter occur.

Respectfully submitted,

SHERMAN & HOWARD L.L.C.

BOOK-ENTRY-ONLY SYSTEM

This information concerning DTC and DTC's book-entry-only system has been obtained from DTC and the District takes no responsibility for the accuracy thereof. The Beneficial Owners (defined below) should confirm this information with DTC or the DTC participants.

DTC, the world's largest depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S., equity issues, corporate and municipal debt issues, and money market instruments from over 100 countries that DTC participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S., securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Securities Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants" and together with the Direct Participants, the "Participants"). DTC has Standard & Poor's rating of: "AA+." The DTC rules applicable to its Direct Participants and Indirect Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchase of the Bonds under the DTC system must be made by or through Direct Participants, who will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct Participant's and Indirect Participant's records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct Participant or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interest in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interest in the Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all the Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Bonds with DTC and their registration in the name of Cede & Co., or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct Participants and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of the Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond documents. For example, Beneficial Owners of the Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Bond Registrar and Paying Agent and request that copies of notices be provided directly to them.

Redemption notices of the Bonds shall be sent to DTC. If less than all of the Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Bond Registrar and Paying Agent as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Payment of principal of and interest on the Bonds, and the redemption price of any Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of and information funds and corresponding detail information from the Bond Registrar and Paying Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Direct Participants and Indirect Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name" and will be the responsibility of such Direct Participants and Indirect Participants and not of DTC (or its nominee) or the Bond Registrar and Paying Agent, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal of and interest on the Bonds, and the redemption price of any Bonds will be made to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District or the Bond Registrar and Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of Direct Participants and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the Bond Registrar and Paying Agent. Under such circumstances, in the event that a successor depository is not obtained, physical Bonds are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, physical Bonds will be printed and delivered.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the District believes to be reliable, but the District takes no responsibility for the accuracy thereof.

CADENCE COMMUNITY FACILITIES DISTRICT
(CITY OF MESA, ARIZONA)
GENERAL OBLIGATION BONDS, SERIES 2021
(BANK QUALIFIED)

(CUSIP BASE NUMBER 12739T)

This Undertaking is executed and delivered by Cadence Community Facilities District (City of Mesa, Arizona) (the “Issuer”), in connection with the issuance of the captioned municipal securities (the “Securities”) for the benefit of the owners of the Securities, being the registered owners thereof or any person which has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any of the Securities (including persons holding the Securities through nominees, depositories or other intermediaries) or is treated as the owner of any Securities for federal income tax purposes.

Section 1. Definitions.

“Annual Report” shall mean any annual report provided by the Issuer pursuant to, and as described in, Section 2.

“Authorizing Document” shall mean the resolution or resolutions authorizing the issuance of the Securities.

“Dissemination Agent” shall mean any agent which has executed a dissemination agent agreement with the Issuer and such successors and assigns of such agent.

“EMMA” shall mean the Electronic Municipal Market Access system of the Municipal Securities Rulemaking Board. Information regarding submissions to EMMA is available at <http://emma.msrb.org>.

“Financial Obligation” shall mean a (i) debt obligation; (ii) derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (iii) a guarantee of (i) or (ii). The term Financial Obligation shall not include municipal securities as to which a final official statement has been provided to the Municipal Securities Rulemaking Board consistent with the Rule.

“Listed Events” shall mean any of the events listed in Section 3(a).

“Notice of Listed Event” shall mean any notice provided by the Issuer pursuant to, and as described in, Section 3.

“Rule” shall mean Rule 15c2-12(b)(5) adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as the same may be amended from time to time.

Section 2. Contents and Provision of Annual Reports.

(a) (i) ***SUBJECT TO ANNUAL APPROPRIATION TO COVER THE COSTS OF PREPARATION AND MAILING THEREOF, THE ISSUER SHALL, OR SHALL CAUSE THE DISSEMINATION AGENT TO, NOT LATER THAN FEBRUARY 1 OF EACH YEAR, COMMENCING***

* Subject to change.

FEBRUARY 1, 2022, PROVIDE THROUGH EMMA AN ANNUAL REPORT WHICH IS CONSISTENT WITH THE REQUIREMENTS OF SUBSECTION (b) OF THIS SECTION.

(ii) IF THE ISSUER IS UNABLE OR FOR ANY OTHER REASON FAILS TO PROVIDE AN ANNUAL REPORT OR ANY PART THEREOF BY THE DATE REQUIRED IN SUBSECTION (a)(i) OF THIS SECTION, THE ISSUER SHALL, OR SHALL CAUSE THE DISSEMINATION AGENT TO, SEND A NOTICE TO THAT EFFECT NOT LATER THAN SUCH DATE THROUGH EMMA ALONG WITH THE OTHER PARTS, IF ANY, OF THE ANNUAL REPORT.

(b) (i) The Annual Reports shall contain or incorporate by reference the following:

(A) Information of the type in TABLES 2, 4, 5, 6 and 7 of the Official Statement, dated _____, 2021, with respect to the Securities as well as with respect to tax collections and delinquencies in the preceding tax year of the Issuer.

(B) Audited financial statements for the preceding fiscal year, if any, such statements to be prepared on the basis of generally accepted accounting principles as applied to governmental units. (The Issuer does not currently obtain audited financial statements.) **IF THE FISCAL YEAR OF THE ISSUER CHANGES, THE ISSUER SHALL, OR SHALL CAUSE THE DISSEMINATION AGENT TO, FILE A NOTICE OF SUCH CHANGE IN THE SAME MANNER AS FOR A NOTICE OF LISTED EVENT.**

(ii) The Annual Report may be submitted as a single document or as separate documents comprising a package and may incorporate by reference from other documents other information, including final offering documents of debt issues of the Issuer or related public entities which have been submitted to the Municipal Securities Rulemaking Board. If the document incorporated by reference is a final official statement, it must be available from the Municipal Securities Rulemaking Board. The Issuer shall clearly identify each such other document so incorporated by reference.

(iii) If audited financial statements are to be included in an Annual Report but are not available in time to satisfy the requirements of Subsection (a)(i) of this Section, unaudited financial statements must be provided at the requisite time as part of the Annual Report and as soon as possible (but not later than thirty (30) days) after such audited financial statements become available, the audited financial statements shall be provided through EMMA.

Section 3. Reporting of Listed Events.

(a) This Section shall govern the giving of notices of the occurrence of any of the following events (the "Listed Events") with respect to the Securities:

- (i) Principal and interest payment delinquencies.
- (ii) Non-payment related defaults, if material.
- (iii) Unscheduled draws on debt service reserves reflecting financial difficulties.
- (iv) Unscheduled draws on credit enhancements reflecting financial difficulties.
- (v) Substitution of credit or liquidity providers, or their failure to perform.

(vi) Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the security, or other material events affecting the tax status of the security.

- (vii) Modifications to rights of security holders, if material.
- (viii) Bond calls, if material, and tender offers.
- (ix) Defeasances.

(x) Release, substitution or sale of property securing repayment of the securities, if material.

(xi) Rating changes.

(xii) Bankruptcy, insolvency, receivership or similar events of the obligated person, being if any of the following occur: the appointment of a receiver, fiscal agent or similar officer for an obligated person in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the obligated person, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the obligated person.

(xiii) The consummation of a merger, consolidation or acquisition involving the obligated person or the sale of all or substantially all of the assets of the obligated person, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material.

(xiv) Appointment of a successor or additional trustee or the change of the name of the trustee, if material.

(xv) Incurrence of a Financial Obligation of the obligated person, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a Financial Obligation of the obligated person, any of which affect security holders, if material.

(xvi) Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a Financial Obligation of the obligated person, any of which reflect financial difficulties.

(xvii) Notice of a failure of the obligated person to provide required annual financial information on or before the date specified in Section 2 above, including any non-appropriation to cover applicable costs.

(b) Whether events subject to the standard “material” would be material shall be determined under applicable federal securities laws.

(c) ***SUBJECT TO ANNUAL APPROPRIATION TO COVER THE COSTS OF PREPARATION AND MAILING THEREOF, THE ISSUER SHALL, OR SHALL CAUSE THE DISSEMINATION AGENT TO, PROMPTLY, BUT NOT MORE THAN TEN (10) BUSINESS DAYS THEREAFTER, FILE A NOTICE OF LISTED EVENT OF SUCH OCCURRENCE THROUGH EMMA.***

Section 4. Termination of Reporting Obligation. The obligations of the Issuer pursuant to this Undertaking shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Securities. ***SUBJECT TO ANNUAL APPROPRIATION TO COVER THE COSTS OF PREPARATION AND MAILING THEREOF, THE ISSUER SHALL, OR SHALL CAUSE THE DISSEMINATION AGENT TO, GIVE NOTICE OF SUCH TERMINATION THROUGH EMMA AS SOON AS PRACTICABLE, BUT NOT LATER THAN THE DATE AN ANNUAL REPORT WOULD OTHERWISE HAVE BEEN DUE.***

Section 5. Amendment or Waiver.

(a) Notwithstanding any other provision of this Undertaking, the Issuer may amend this Undertaking, and any provision of this Undertaking may be waived, if such amendment or waiver is supported by an opinion of counsel expert in federal securities laws, to the effect that (i) such amendment or waiver is made in connection with a change in circumstances that arises from a change in legal requirements, change in law or change in the identity, nature or status of the Issuer or type of business conducted; (ii) this Undertaking, as amended or affected by such waiver, would have complied with the requirements of the Rule at the time of the primary offering of the Securities, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances and (iii) such amendment or waiver does not materially impair the interests of the owners of the Securities, as determined either by parties (such as bond counsel) unaffiliated with the Issuer or by an approving vote

of the registered owners of the Securities pursuant to the terms of the Authorizing Document at the time of the amendments.

(b) The Annual Report containing amended operating data or financial information resulting from such amendment or waiver, if any, shall explain, in narrative form, the reasons for the amendment or waiver and the impact of the change in the type of operating data or financial information being provided. If an amendment or waiver is made specifying the accounting principles to be followed in preparing financial statements, the Annual Report for the year in which the change is made shall present a comparison between the financial statements or information prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles. Such comparison shall include a qualitative discussion of the differences in the accounting principles and the impact of the change in the accounting principles on the presentation of the financial information in order to provide information to investors to enable them to evaluate the ability of the Issuer to meet its obligations. To the extent reasonably feasible, such comparison also shall be quantitative. ***IF THE ACCOUNTING PRINCIPLES OF THE ISSUER CHANGE, THE ISSUER SHALL, OR SHALL CAUSE THE DISSEMINATION AGENT TO, FILE A NOTICE OF SUCH CHANGE IN THE SAME MANNER AS FOR A NOTICE OF LISTED EVENT.***

Section 6. Additional Information. Nothing in this Undertaking shall be deemed to prevent the Issuer from disseminating any other information, using the means of dissemination set forth in this Undertaking or any other means of communication, or including any other information in any Annual Report or Notice of Listed Event, in addition to that which is required by this Undertaking. If the Issuer chooses to include any information in any Annual Report or Notice of Listed Event in addition to that which is specifically required by this Undertaking, the Issuer shall have no obligation under this Undertaking to update such information or include it in any future Annual Report or Notice of Listed Event.

Section 7. Default. In the event of a failure of the Issuer to comply with any provision of this Undertaking, any owner of a Security for the benefit of which this Undertaking is being provided may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the Issuer to comply with its obligations under this Undertaking. A default under this Undertaking shall not be deemed an event of default for other purposes of the Authorizing Document, and the sole remedy under this Undertaking in the event of any failure of the Issuer to comply with this Undertaking shall be an action to compel performance.

Section 8. Dissemination Agent. The Issuer may, from time to time, appoint or engage a Dissemination Agent to assist the Issuer in satisfying the obligations of the Issuer hereunder and may discharge any such Dissemination Agent, with or without appointing a successor Dissemination Agent.

Section 9. Duties, Immunities and Liabilities of Dissemination Agent. The Dissemination Agent shall have only such duties as are specifically set forth in this Undertaking and the applicable, related agency agreement, and, to the extent permitted by applicable law, the Issuer shall indemnify and save the Dissemination Agent, its officers, directors, employees and agents, harmless for, from and against any loss, expense and liabilities which the Dissemination Agent may incur arising out of or in the exercise or performance of the powers and duties of the Dissemination Agent pursuant to this Undertaking and the applicable, related agency agreement, including the costs and expenses (including attorneys' fees) of defending against any claim of liability, but excluding liabilities due to the negligence or willful misconduct of the Dissemination Agent. The obligations of the Issuer under this Section shall survive resignation or removal of the Dissemination Agent and payment of the Securities.

BUILD AMERICA MUTUAL ASSURANCE COMPANY ("BAM"), for consideration received, hereby UNCONDITIONALLY AND IRREVOCABLY agrees to pay to the trustee (the "Trustee") or paying agent (the "Paying Agent") for the Bonds named above (as set forth in the documentation providing for the issuance and securing of the Bonds), for the benefit of the Owners or, at the election of BAM, directly to each Owner, subject only to the terms of this Policy (which includes each endorsement hereto), that portion of the principal of and interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer.

On the later of the day on which such principal and interest becomes Due for Payment or the first Business Day following the Business Day on which BAM shall have received Notice of Nonpayment, BAM will disburse (but without duplication in the case of duplicate claims for the same Nonpayment) to or for the benefit of each Owner of the Bonds, the face amount of principal of and interest on the Bonds that is then Due for Payment but is then unpaid by reason of Nonpayment by the Issuer, but only upon receipt by BAM, in a form reasonably satisfactory to it, of (a) evidence of the Owner's right to receive payment of such principal or interest then Due for Payment and (b) evidence, including any appropriate instruments of assignment, that all of the Owner's rights with respect to payment of such principal or interest that is Due for Payment shall thereupon vest in BAM. A Notice of Nonpayment will be deemed received on a given Business Day if it is received prior to 1:00 p.m. (New York time) on such Business Day; otherwise, it will be deemed received on the next Business Day. If any Notice of Nonpayment received by BAM is incomplete, it shall be deemed not to have been received by BAM for purposes of the preceding sentence, and BAM shall promptly so advise the Trustee, Paying Agent or Owner, as appropriate, any of whom may submit an amended Notice of Nonpayment. Upon disbursement under this Policy in respect of a Bond and to the extent of such payment, BAM shall become the owner of such Bond, any appurtenant coupon to such Bond and right to receipt of payment of principal of or interest on such Bond and shall be fully subrogated to the rights of the Owner, including the Owner's right to receive payments under such Bond. Payment by BAM either to the Trustee or Paying Agent for the benefit of the Owners, or directly to the Owners, on account of any Nonpayment shall discharge the obligation of BAM under this Policy with respect to said Nonpayment.

Except to the extent expressly modified by an endorsement hereto, the following terms shall have the meanings specified for all purposes of this Policy. "Business Day" means any day other than (a) a Saturday or Sunday or (b) a day on which banking institutions in the State of New York or the Insurer's Fiscal Agent (as defined herein) are authorized or required by law or executive order to remain closed. "Due for Payment" means (a) when referring to the principal of a Bond, payable on the stated maturity date thereof or the date on which the same shall have been duly called for mandatory sinking fund redemption and does not refer to any earlier date on which payment is due by reason of call for redemption (other than by mandatory sinking fund redemption), acceleration or other advancement of maturity (unless BAM shall elect, in its sole discretion, to pay such principal due upon such acceleration together with any accrued interest to the date of acceleration) and (b) when referring to interest on a Bond, payable on the stated date for payment of interest. "Nonpayment" means, in respect of a Bond, the failure of the Issuer to have provided sufficient funds to the Trustee or, if there is no Trustee, to the Paying Agent for payment in full of all principal and interest that is Due for Payment on such Bond. "Nonpayment" shall also include, in respect of a Bond, any payment made to an Owner by or on behalf of the Issuer of principal or interest that is Due for Payment, which payment has been recovered from such Owner pursuant to the United States Bankruptcy Code in accordance with a final, nonappealable order of a court having competent jurisdiction. "Notice" means delivery to BAM of a notice of claim and certificate, by certified mail, email or telecopy as set forth on the attached Schedule or other acceptable electronic delivery, in a form satisfactory to BAM, from and signed by an Owner, the Trustee or the Paying Agent, which notice shall specify (a) the person or entity making the claim, (b) the Policy Number, (c) the claimed amount, (d) payment instructions and (e) the date such claimed amount becomes or became Due for Payment. "Owner" means, in respect of a Bond, the person or entity who, at the time of Nonpayment, is entitled under the terms of such Bond to payment thereof, except that "Owner" shall not include the Issuer, the Member or any other person or entity whose direct or indirect obligation constitutes the underlying security for the Bonds.

BAM may appoint a fiscal agent (the "Insurer's Fiscal Agent") for purposes of this Policy by giving written notice to the Trustee, the Paying Agent, the Member and the Issuer specifying the name and notice address of the Insurer's Fiscal Agent. From and after the date of receipt of such notice by the Trustee, the Paying Agent, the Member or the Issuer (a) copies of all notices required to be delivered to BAM pursuant to this Policy shall be simultaneously delivered to the Insurer's Fiscal Agent and to BAM and shall not be deemed received until received by both and (b) all payments required to be made by BAM under this Policy may be made directly by BAM or by the Insurer's Fiscal Agent on behalf of BAM. The Insurer's Fiscal Agent is the agent of BAM only, and the Insurer's Fiscal Agent shall in no event be liable to the Trustee, Paying Agent or any Owner for any act of the Insurer's Fiscal Agent or any failure of BAM to deposit or cause to be deposited sufficient funds to make payments due under this Policy.

To the fullest extent permitted by applicable law, BAM agrees not to assert, and hereby waives, only for the benefit of each Owner, all rights (whether by counterclaim, setoff or otherwise) and defenses (including, without limitation, the defense of fraud), whether acquired by subrogation, assignment or otherwise, to the extent that such rights and defenses may be available to BAM to avoid payment of its obligations under this Policy in accordance with the express provisions of this Policy. This Policy may not be canceled or revoked.

This Policy sets forth in full the undertaking of BAM and shall not be modified, altered or affected by any other agreement or instrument, including any modification or amendment thereto. Except to the extent expressly modified by an endorsement hereto, any premium paid in respect of this Policy is nonrefundable for any reason whatsoever, including payment, or provision being made for payment, of the Bonds prior to maturity. THIS POLICY IS NOT COVERED BY THE PROPERTY/CASUALTY INSURANCE SECURITY FUND SPECIFIED IN ARTICLE 76 OF THE NEW YORK INSURANCE LAW. THIS POLICY IS ISSUED WITHOUT CONTINGENT MUTUAL LIABILITY FOR ASSESSMENT.

In witness whereof, BUILD AMERICA MUTUAL ASSURANCE COMPANY has caused this Policy to be executed on its behalf by its Authorized Officer.
