

City Council Report

Date: May 12, 2025
To: City Council
Through: Michael Kennington, Deputy City Manager/Chief Financial Officer
From: Edward Quedens, Business Services Director
Kristy Garcia, Procurement Administrator
Subject: Use of a Cooperative Contract for the Purchase of One Street Sweeper (Replacement) for the Fleet Services and Transportation Departments (Citywide)

Recommendation

Council is requested to approve the award as recommended.

The Fleet Services and Transportation Departments and Procurement Services recommend authorizing the purchase using the State of Arizona cooperative contract with Freightliner of Arizona, LLC. at \$458,000, based on estimated requirements. Funded by MAG/ADOT CMAQ (Congestion and Mitigation Air Quality) Grant and Local Street Sales Tax Funding.

Background / Discussion

The Fleet Services and Transportation Departments are requesting the purchase of a Street Sweeper to replace a unit that has met the established replacement criteria and will be either traded, auctioned, sold, or deployed to special uses. This sweeper will help the Transportation Department with maintaining their goal of completing the residential sweeping cycle within a 4-week timeframe.

The State of Arizona's cooperative contract was competitively bid and meets the City's procurement requirements. Utilizing the State of Arizona's contract allows the City to receive competitive rates based on a formally solicited agreement. The City believes the price is fair and reasonable and soliciting for this product would not result in the City receiving more favorable pricing or terms.
