PROJECT ADDRESS: 10059 E Southern Ave., Mesa, AZ 85209

Project Description:

The purpose of this major site plan modification application to the City of Mesa is to request a site plan modification and design review approval to allow for a drive-through restaurant, which is an Angie's Prime. Stated differently, this is a request to change the existing permitted site plan and drive-through on the site to a different tenant use. This request, therefore, is an amendment to a previously approved project under DRB22-01053 and permitted for construction under PMT23-08691, including the amended civil permit that includes this site and all the civil water and sewer work for the properties on each side of this property under PMT23-08691, PMT24-05117, ROW23-06066, and ROW23-06067. Maricopa County has already approved the previously installed public sewer line to all this property and the adjacent properties.

The subject site is zoned Limited Commercial (LC) and the General Plan Designation is Regional Employment Center – Evolve. The site is approximately .69 acres in size and located on the south side of Southern Avenue, east of Crismon Road. No change to the zoning designation is proposed with this application and the proposed use is an allowed use in the LC zoning district.

Angie's Prime offers in-building dining, carry-out and drive-through services. There will be no exterior dining provided. The building is proposed to be a one-story restaurant of 1,691 ft.² with metal canopies above the storefront and doors and the drive through line will have the canopy above the pickup window. A remote steel canopy is also provided above the order speaker and menu board.

There are only minor changes to the civil plans arising because of the building moving west and the elimination of one of the drive-through lanes. Again, the existing shared drive and the utilities including the fire hydrant are already installed onto and around the site. The new Angie's Prime building and its use as a drive-through restaurant, are consistent with what has been previously approved.

Please feel free to contact me should you have any questions regarding these modifications.

Respectfully Submitted,
