(\*Participated in the meeting through the use of video conference equipment.)

Mayor's Welcome.

Mayor Freeman conducted a roll call.

Invocation by Pastor Ann Lyter at St. Matthew United Methodist Church.

Pledge of Allegiance was led by Zander Rogers from Boy Scout Troop 54.

Awards, recognitions, and announcements.

Mayor Freeman presented a proclamation honoring David Rousseau for his lifelong contributions to Arizona and decades of leadership. He recognized his dedication to regional success, including his efforts to help position the Valley to host major national events such as the Super Bowl, and to support economic opportunities benefiting Mesa and communities across the region.

Mr. Rousseau thanked the Mayor and Council for their leadership and public service.

(Items on the agenda were discussed out of order, but for the purpose of clarity will remain as listed on the agenda.)

## 1. Take action on all consent agenda items.

All items listed with an asterisk (\*) will be considered as a group by the City Council and will be enacted with one motion. There will be no separate discussion of these items unless a Councilmember or citizen requests, in which event the item will be removed from the consent agenda and considered as a separate item. If a citizen wants an item removed from the consent agenda, a request must be made prior to the Council's vote on the consent agenda.

It was moved by Vice Mayors Somers, seconded by Councilmember Duff, that the consent agenda items be approved.

Upon tabulation of votes, it showed:

AYES – Freeman–Somers–Adams–Duff–Goforth–Heredia–Taylor  
NAYS – None

Carried unanimously.

\*2. Approval of minutes of previous meetings as written.

Minutes from the Special Council meeting and Study Session held on February 23, 2026; and the Regular Council meeting held on April 20, 2026.

3. Take action on the following liquor license applications:

\*3-a. 309 Sports Lounge

A restaurant that serves breakfast, lunch, and dinner is requesting a new Series 12 Restaurant License for HNB LLC, 2050 West Guadalupe Road, Suite 9-12, Christian Kevin Kramber, Agent. The existing license held by La Casa De Las Flores Gourmet Kitchen LLC, will revert to the State. **(District 3)**

\*3-b. AW Smoke Shop

A smoke shop is requesting a new Series 10 Beer and Wine Store License for Ora Investments LLC, 1232 East Southern Avenue, Suite 4, Jeffrey Craig Miller, Agent. There is no existing license at this location. **(District 4)**

4. Take action on the following contracts:

\*4-a. Three-Year Term Contract with Two-Year Renewal Options for Pavement Marking Materials and Traffic Paint for the Transportation Department. **(Citywide)**

The Transportation Department is responsible for installing and maintaining pavement markings that support traffic control throughout the community. These markings are for roadways, intersections, bike lanes, and parking lots, including lane lines, crosswalks, stop bars, legends, symbols, and other roadway markings. This contract provides thermoplastic markings, waterborne traffic paint, alkyd extrude thermoplastic, and glass beads used for visibility enhancement.

The Transportation Department and Procurement Services recommend awarding the contract to the lowest, responsive, and responsible bidders, Geveko Markings, LLC.; Ennis Flint, Inc.; Svevia USA Inc. dba Roadmax Products; and Potters Industries, LLC, in a total amount not to exceed \$525,600 annually, with an annual increase allowance of up to 5% or the adjusted Consumer Price Index.

\*4-b. Purchase of Variable Frequency Drives (Replacements) for the Water Resources Department (Sole Source). **(Citywide)**

The Brown Road Water Treatment Plant must replace the Variable Frequency Drives (VFDs) serving the washwater recovery basin pumps, as well as the six VFDs operating the flocculator drives for basins 1-6. The existing drives have exceeded their useful life and have become increasingly unreliable due to age and component obsolescence, making ongoing maintenance difficult. These VFDs play a critical role in regulating pump flow and controlling flocculator mixing speeds (functions essential to maintaining stable treatment processes), consistent water quality and compliance with regulatory standards.

The Water Resources Department and Procurement Services recommend awarding the contract to the sole source vendor, Border States, at \$157,000 based on estimated requirements.

\*4-c. Three-Year Term Contract with Two-Year Renewal Options for Emergency and Non-Emergency Generator Rental Services for the Water Resources Department, Facilities Management and the Department of Innovation and Technology. **(Citywide)**

The Water Resources Department, Facilities Management, and the Department of Innovation and Technology require access to rental generators, transformers, and power cables to ensure uninterrupted operations at critical facilities that serve our community. These departments rely on rental generators primarily during the hot Arizona summer months and at other times as needed to provide backup power for locations and sites without redundant systems, including pump stations. When required, stand-by rental units are positioned onsite to maintain operational readiness during power failures, helping protect essential City services, public health, and the environment.

A committee representing Water Resources, Facilities Management, Mesa Fire and Medical Department, the Department of Innovation and Technology, and Procurement Services evaluated responses and recommend awarding the contract to the highest scored proposals from H&E Equipment Services, Inc. dba H&E Rentals, Herc Rentals, Inc., GenServe LLC (a Mesa business), and Garner Environmental Services, in a combined total amount not to exceed \$600,000 annually, with an annual increase allowance of up to 5% or the adjusted Consumer Price Index.

\*4-d. Three-Year Term Contract with Two-Year Renewal Options for Generator Purchases and Installation Services (Replacement) for Facilities Management and the Department of Innovation and Technology. **(Citywide)**

This contract provides for the purchase and installation of new generators and related equipment for the City on an as-needed basis to ensure uninterrupted power for critical City-owned facilities during outages. These generators are essential for maintaining operations, protecting public safety, and preventing service disruptions caused by utility failures or extreme weather.

A committee representing Facilities Management, Water Resources, the Mesa Fire and Medical Department, the Department of Innovation and Technology and Procurement Services evaluated responses and recommend awarding the contract to the highest scored proposals from H&E Equipment Services, Inc. dba H&E Rentals, K2 Electric, LLC, and GenServe LLC (a Mesa business) in a combined total amount not to exceed

\$500,000 annually, with an annual increase allowance of up to 5% or the adjusted Consumer Price Index.

- \*4-e. One-Year Use of a Cooperative Term Contract with Two, One-Year Renewal Options for the Purchase of a Statewide Fire Incident Management System for the Mesa Fire and Medical Department (Arizona Department of Administration "Reimbursement" Grant). **(Citywide)**

By implementing the fire incident management solution, MFMD (along with other municipal fire departments) will improve notification, response management, and reporting of critical incidents. The Arizona Department of Administration State Grants Office grant is designed to provide funding to municipal fire departments and fire districts for this specific hardware and software. This is a reimbursement grant where the City of Mesa will pay upfront and then be reimbursed 100% by the Arizona Department of Administration.

The Mesa Fire and Medical Department and Procurement Services recommend authorizing the purchase using the State of Arizona cooperative contract with Versaterm Public Safety US, Inc., in an amount not to exceed \$490,200 for Year 1, \$444,000 for Year 2, and \$455,100 for Year 3, with an annual increase allowance of up to 5%, or the adjusted Consumer Price Index. This purchase is 100% grant funded.

5. Take action on the following resolutions:

- \*5-a. Approving and authorizing the City Manager to submit the City of Mesa Annual Action Plan for Fiscal Year 2026/2027. Approving and authorizing the submittal of applications to receive entitlement funds for Fiscal Year 2026/2027 under the U.S. Department of Housing and Urban Development Community Development Block Grant (CDBG) program, Emergency Solutions Grant (ESG) program, HOME Investment Partnership Program (HOME), and Human Services to fund activities approved by the City Council; and authorizing the City Manager to expend, disburse and enter into agreements for disbursement of Fiscal Year 2026/2027 CDBG, ESG, HOME, and Human Services funds, received by the City. **(Citywide)** – Resolution No. 12512
- \*5-b. Approving a Substantial Amendment to the FY 2021/2022 HOME-American Rescue Plan (HOME-ARP) Allocation Plan and authorizing the City Manager to sign and submit the Amendment to the U.S. Department of Housing and Urban Development (HUD). **(Citywide)** – Resolution No. 12513
- \*5-c. Approving and authorizing the City Manager to enter into a Right of Way Occupancy License with Vero Fiber Networks, LLC. **(Citywide)** – Resolution No. 12514
