OTHERS PRESENT:

1 Call meeting to order.

Chair Ayers excused Boardmember Montes and Boardmember Farnsworth and declared a quorum present; the meeting was called to order at 3:30 pm.

2 Review items on the agenda for the April 9, 2025, regular Planning and Zoning Board Hearing.

Staff Planner Cassidy Welch presented case ZON24-00913. See attached presentation.

The Board has no questions for staff.

Staff Planner Charlotte Bridges presented case ZON24-01020. See attached presentation.

In response to Vice Chair Pitcher's questions Ms. Bridges explained that the applicant is requesting a modification to build an 8-foot masonry wall instead of the 6-foot wall required by code, with a 20-foot alley separating it from the existing neighborhood wall to the south. Access from Sossaman Road is restricted to emergency and solid waste vehicles due to safety concerns related to a nearby left-turn lane. Additionally, the site meets City of Mesa drainage standards, and engineering staff had no issues with the proposed grading and drainage plan.

MINUTES OF THE APRIL 9, 2025 PLANNING & ZONING STUDY SESSION

Principal Planner Evan Balmer clarified that, while the alley is a dedicated City of Mesa right-of-way, maintenance is the responsibility of the adjacent property owners.

- 3 Planning Director Update:** We have two updates to share. First, we've been working closely with our Urban Transformation team on revisions to the Form-Based Code for the downtown area. To gather feedback, two open houses are scheduled for April 24–28, targeting residents and stakeholders both within and around the Form-Based Code area. The goal of these updates is to simplify and reorganize the code to improve clarity and usability. Second, the proposed updates regarding manufactured homes and RV subdivisions—previously discussed—will return at the next meeting for a formal recommendation to City Council.

4 Adjournment.

Vice Chair Pitcher motioned to adjourn the study session. The motion was seconded by Boardmember Peterson.

The study session was adjourned at 4:03 pm.

Vote (5-0; Boardmember Montes and Boardmember Farnsworth, absent)

Upon tabulation of vote, it showed:

AYES – Ayers, Pitcher, Peterson, Blakeman, Carpenter

NAYS – None

Respectfully submitted,

Vice Chair Pitcher on behalf of

Benjamin Ayers
Planning and Zoning Board Chair

Note: Audio recordings of the Planning & Zoning Board Meetings are available in the Planning Division Office for review. They are also “live broadcasted” through the City of Mesa’s website at www.mesaaz.gov
