Lancaster Bristol Noir Black Polished Ceramic Pencil Liners

This black, polished pencil tile liner is designed to coordinate beautifully with your ceramic, natural stone or glass tiles that will enhance any wall-tile application. This sleek, versatile ceramic tile pencil liner trim piece adds a touch of sophistication and precision to any tiling project. Crafted from high-quality ceramic, it not only provides a seamless finish but also offers unrivaled durability, ensuring a long-lasting investment.

The narrow profile of pencil tile liners allows for intricate detailing and clean transitions between different tile styles. Whether accentuating a backsplash, framing a shower niche, or highlighting a border, this pencil liner effortlessly elevates your space. With its timeless aesthetic and resilience, it's the perfect choice for those seeking both form and function in their tile designs.
