Subject: One-Year Renewal Contract for Helicopter Engine Parts and Repairs for the Police Department (**Citywide**)

Purpose and Recommendation

Council is requested to approve the Renewal Contract for Helicopter Engine Parts and Repairs as recommended.

The Police Department and Purchasing recommend authorizing the renewal contract with AeroMaritime America, Inc. (a Mesa business) at \$500,000.00, based on estimated requirements.

Background / Discussion

This contract provides aviation turbine engine overhauls, repairs, modifications, furnishing parts, tooling, rental, technical assistance and/or labor for complete engines, engine modules, engine components, and engine accessories for the Police Department, Aviation Unit's three MD Helicopter Corporation (MDHC) Model 500E and 530F helicopters (523E, 558E and 226FF).

This contract is required to ensure helicopter availability and usage for continuous operations. Parts and services may be ordered on an as-needed basis. The contract covers costs associated with scheduled and unscheduled repairs.

The Aviation Unit has worked with AeroMaritime America to supply helicopter parts and overhauling services for several years. Based upon the vendor's proven track record and their reliability, the Aviation Unit has opted to renew. The vendor is holding pricing from the previous year. This contract continues to be advantageous to the City and it is in the City's best interest to renew the contract.

Alternatives

Council may choose not to authorize the purchase and new responses will be solicited.

Fiscal Impact

The annual contract amount is funded by the Police Department operating budget.
