

City Council Report

Date: August 24, 2020
To: City Council
Through: Michael Kennington, Deputy City Manager/Chief Financial Officer
From: Edward Quedens, Business Services Director
Matt Bauer, Procurement Administrator
Subject: Ratification of the Emergency Purchase of N95 Respirator Masks for the Mesa Fire and Medical Department **(Citywide) (Funded by Department of Justice 2020 Coronavirus Emergency Supplemental Grant Funds)**

Recommendation

Council is requested to approve the emergency purchase as recommended.

The Mesa Fire and Medical Department and Purchasing recommend ratifying the purchase from the contract with LCN Global, LLC dba, Amston Tool Company, at \$85,102.51.

Background / Discussion.

This emergency purchase provided for 30,240 N95 Respirator Masks for immediate use necessary for Mesa's first responders (Mesa Fire and Medical and Police Departments) and other City Departments in response to the COVID-19 pandemic.

N95 masks are used for first responders during the Coronavirus pandemic and availability continues to be challenging. The City believed the price quoted in the market at that time to be fair and reasonable at \$2.60 per mask and the masks were available.

The City Manager's Office authorized the emergency procurement as necessary for the immediate preservation of public health and public safety on 5/4/2020.

Purchase Information

Action: Emergency Purchase
Procurement Type: Single Quote
Contract Number: 2020234
Funding: Will be submitted for Federal grant fund reimbursement (GR04372001)
