Venture Out Social Club, Inc.
5001 E Main St.
Mesa, AZ 85205-8008

Dear Sir or Madam:

This is in response to your request for a letter affirming your organization's exempt status.

In March 1978, we issued a determination letter that recognized your organization as exempt from federal income tax under section 501(c)(7) of the Internal Revenue Code. That letter is still in effect.

A section 501(c)(7) organization is permitted to receive up to 35 percent of its gross receipts, including investment income, from sources outside of its membership without losing its tax exempt status. Of the 35 percent, not more than 15 percent of the gross receipts may be derived from the use of the club, facilities, or services by the general public. Income in excess of these limits may jeopardize your organization's continued exempt status.

As your organization is not one described in section 170(c) of the Code, donors may not deduct contributions made to your organization. You should advise your organization's contributors to that effect.

Your organization is required to file Form 990, Return of Organization Exempt from Income Tax, if its gross receipts each year are normally more than \$25,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of the organization's annual accounting period. The law imposes a penalty of \$20 a day, up to a maximum of \$10,000, when a return is filed late, unless there is reasonable cause for the delay.

All exempt organizations (unless specifically excluded) are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more paid each employee during a calendar year. Your organization is also liable for tax under the Federal Unemployment Tax Act for each employee to whom it pays \$50 or more during a calendar quarter if, during the current or preceding calendar year, the organization had one or more employees at any time in each of 20 calendar weeks or it paid wages of \$1,500 or more in any calendar quarter.

If your organization's character, method of operation, or purposes change, please let us know so we can consider the effect of the change on your organization's exempt status. Also, your organization should inform us of all changes in its name or address.

Venture Out Social Club, Inc.
94-2475699

Your organization is not required to file federal income tax returns unless it is subject to the tax on unrelated business income under section 511 of the Internal Revenue Code. If your organization is subject to this tax, it must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter we are not determining whether any of your organization's activities are unrelated trade or business as defined in Code section 513.

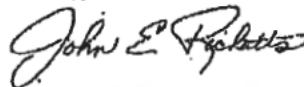

The law requires you to make your organization's annual return available for public inspection without charge for three years after the due date of the return. If your organization had a copy of its application for recognition of exemption on July 15, 1987, it is also required to make available for public inspection a copy of the exemption application, any supporting documents and the exemption letter to any individual who requests such documents in person or in writing. You can charge only a reasonable fee for reproduction and actual postage costs for the copied materials. The law does not require you to provide copies of public inspection documents that are widely available, such as by posting them on the Internet (World Wide Web). You may be liable for a penalty of \$20 a day for each day you do not make these documents available for public inspection (up to a maximum of \$10,000 in the case of an annual return).

Because this letter could help resolve any questions about your organization's exempt status, you should keep it with the organization's permanent records.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

This letter affirms your organization's exempt status.

Sincerely,

John E. Ricketts, Director, TE/GE
