

# City Council Report

**Date:** May 6, 2019  
**To:** City Council  
**Through:** Michael Kennington, Chief Financial Officer  
**From:** Edward Quedens, Business Services Director  
Matt Bauer, Procurement Administrator  
**Subject:** Three-Year Term Contract for Cabling Services with Two Years of Renewal Options for Citywide Departments (**Citywide**)

## Recommendation

Council is requested to approve the award as recommended.

An evaluation team and Purchasing recommend authorizing the purchase using the State of Arizona cooperative contract with Corporate Technology Solutions at \$200,000 annually, with an annual increase allowance of up to 5%, or the adjusted Consumer Price Index.

## Background / Discussion

Police Department - Information Technology Division (PDIT) is requesting to use the State of Arizona contract with Corporate Technology Solutions for installation of hardware and cabling for data, video and related equipment throughout the City. Corporate Technology Solutions is already familiar with most City buildings and has the necessary security clearance to perform work for the City of Mesa.

State of Arizona competitively bid and awarded a contract for Cabling Communication Systems through Request for Proposal No. ADSPO17-00007125 to Corporate Technology Solutions. This contract allows for cooperative use and meets the City's requirements.
